Safety Instructions for MAYHEW STEEL MINI PUNCH 5/64"

Introduction

Thank you for choosing the MAYHEW STEEL MINI PUNCH 5/64". This guide provides important safety instructions to ensure your safe and effective use of this product. Please read this document carefully before using the punches.

General Safety Guidelines

- Ensure the product is used as intended for punching small holes in various materials.
- Keep the punches out of reach of children and pets to prevent accidents.
- Regularly inspect the punches for any signs of damage or wear before use.
- Do not use the punches if they are damaged or malfunctioning.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the punches.
- Use the punches in a welllit and clean workspace to avoid accidents.

Specific Safety Precautions for Use

- Always secure the material you are punching to prevent slipping during use.
- Avoid placing your hands or fingers near the punching area while using the tool.
- Do not force the punch through hard materials; if resistance is felt, stop and assess the situation.
- Use the punches with a suitable backing material to avoid damaging surfaces beneath the workpiece.
- Store the punches in a safe place when not in use, preferably in a protective case to avoid injury.

Instructions for Installation and Usage

- **Preparation:**
 - Select the appropriate punch size for your project.
 - Gather all necessary materials, including the workpiece and a backing material.
- **Using the Punch:**
 - Position the workpiece on a stable surface.
 - Place the backing material underneath the workpiece.
 - Align the punch with the desired location on the workpiece.
 - Hold the punch firmly by the knurled handle.
 - Apply steady pressure to the punch to create a hole, ensuring your hands are clear of the punching area.
- **PostUse Care:**
 - Clean the punches after use to remove debris and prevent rust.
 - Store the punches in a dry, safe location away from children.

Disposal Instructions

- Dispose of any damaged or worn punches responsibly according to local regulations.
- If the product is no longer usable, consider recycling the metal components if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact point or your retailer.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with the MAYHEW STEEL MINI PUNCH 5/64".
