# Safety Instruction Guide for SINGLE PIN PUNCHES MAYHEW STEEL 3/32" (2.4MM) 4" (10.2CM) LONG

## Introduction

Thank you for choosing the SINGLE PIN PUNCHES MAYHEW STEEL. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the pin punch.

## General Safety Guidelines

- Always inspect the tool for any visible damage before use. Do not use if damaged.
- Use the pin punch only for its intended purpose. Misuse can lead to accidents or injuries.
- Keep the tool out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the pin punch.
- Ensure a clean and organized workspace to avoid accidents.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the tool.

## Specific Safety Precautions for Use

- Always use the pin punch with starting punches to prevent binding and ensure smooth operation.
- Avoid using excessive force when driving the punch; this can lead to breakage and injury.
- Do not attempt to modify or alter the pin punch in any way.
- Store the pin punch in a secure location when not in use to prevent accidents.
- If the punch becomes stuck, do not force it out. Instead, gently tap it to free it or seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the workpiece is securely clamped or held in place.
- Select the appropriate starting punch based on the size of the pin to be removed.

### 2. Using the Pin Punch:

- Position the starting punch over the pin you wish to remove.
- Align the SINGLE PIN PUNCH with the starting punch.
- Gently tap the end of the pin punch with a hammer until the pin begins to move.
- Continue tapping until the pin is fully removed.
- If necessary, repeat the process for other pins.

### 3. After Use:

- Clean the pin punch after each use to remove debris and prevent corrosion.
- Store the tool in a dry place, preferably in a protective case, to prolong its lifespan.

## Disposal Instructions

- Dispose of the pin punch responsibly in accordance with local regulations.
- If the tool is damaged beyond repair, ensure it is disposed of in a way that prevents harm to others.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please contact your local distributor or refer to the manufacturer's website for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with the SINGLE PIN PUNCHES MAYHEW STEEL.
