# Safety Instructions for SINGLE PIN PUNCHES MAYHEW STEEL 5/32" (4.0MM) 4" (10.2CM) LONG

## Introduction

Thank you for choosing the SINGLE PIN PUNCHES MAYHEW STEEL. This product is designed for precision tasks in various applications, including gunsmithing. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the punch is used only for its intended purpose.
- Always inspect the punch for any signs of damage or wear before use.
- Keep the work area clean and welllit to avoid accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the punch.
- Store the punch in a safe place, away from children and unauthorized users.
- Follow all local regulations and guidelines related to tool safety.

## Specific Safety Precautions for Use

- Do not use the punch on materials that are harder than the punch itself.
- Avoid using excessive force when using the punch to prevent breakage.
- Ensure that you are using the punch on a stable surface to avoid slipping.
- Use Starting Punches to guide the SINGLE PIN PUNCHES for better results.
- Do not attempt to modify or repair the punch; replace it if damaged.
- Be mindful of your hands and fingers when using the punch to avoid pinching.

## Instructions for Installation and Usage

### 1. Preparation:

- Choose the appropriate size punch for your task (5/32 in).
- Gather all necessary tools and materials before starting.

### 2. Using the Punch:

- Position the punch at the desired location on the workpiece.
- If necessary, use a Starting Punch to create an initial indentation.
- Apply a firm, controlled strike with a hammer on the punch head.
- Avoid striking the punch at an angle to prevent damage.
- After use, clean the punch to remove any debris or residue.

### 3. PostUse Care:

- Inspect the punch for any signs of wear or damage after each use.
- Store the punch in its designated place to prevent accidental damage.
- Keep the punch dry to prevent rust and corrosion.

## Disposal Instructions

- Dispose of the punch responsibly in accordance with local waste disposal regulations.
- If the punch is damaged beyond repair, ensure it is disposed of in a manner that prevents injury to others.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SINGLE PIN PUNCHES MAYHEW STEEL, please refer to the EU contact point or your local safety authority. Additionally, check the EU's Safety Gate platform for updates on recalls and product safety alerts.

Thank you for your attention to these safety instructions. Your safety is our priority.
