# Safety Instruction Guide for Bushnell Tactical Spotting Scope Extended Picatinny Rail

## Introduction

Thank you for choosing the Bushnell Tactical Spotting Scope Extended Picatinny Rail. This guide provides important safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the spotting scope with care to avoid damage and ensure safe usage.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and pets to prevent accidents.
- Regularly inspect the product for any signs of wear or damage.
- If you suspect the product is defective or unsafe, discontinue use immediately and report it.

## Specific Safety Precautions for Use

- Do not attach accessories that exceed the weight limit specified by the manufacturer.
- Ensure that all attachments are securely fastened before use to prevent accidents.
- Avoid using the spotting scope in extreme weather conditions, such as heavy rain or strong winds, which may affect its performance.
- Use caution when mounting or dismounting the spotting scope to avoid injury.
- Do not look directly at the sun through the spotting scope, as this may cause serious eye damage.

## Instructions for Installation and Usage

### 1. Installation of the Picatinny Rail:

- Locate the bottom rail of your Picatinny rail kit.
- Align the Bushnell Extended Objective Picatinny Rail with the mounting points on the bottom rail.
- Securely fasten the rail using the provided screws, ensuring it is tightly attached.

### 2. Attaching Accessories:

- Once the rail is installed, you can attach Night Vision or other compatible accessories.
- Ensure that each accessory is securely fastened and does not obstruct your view through the spotting scope.

### 3. Using the Spotting Scope:

- Position the spotting scope on a stable surface or tripod.
- Adjust the focus and zoom settings to your preference for optimal viewing.
- Always check the stability of the setup before use to prevent tipping or falling.

### 4. PostUse Care:

- After use, remove any attached accessories and store them in a safe place.
- Clean the spotting scope with a soft, dry cloth to maintain its condition.
- Store the spotting scope in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.

## **Contact Information for Further Support**

For safety inquiries or more information about the product, please refer to the manufacturer's contact details provided in the product packaging or on the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Bushnell Tactical Spotting Scope Extended Picatinny Rail. Thank you for your attention to safety.
