

SANDING DISCS - VSM ABRASIVES CORPORATION 10" (25.4CM) DISCS, 60 GRIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Sanding Discs](#)

Resinal Metalite Pressure-Sensitive Discs ... Fast Off/On Disc And Grit Change

Lay flatter, stick smoother than glue-on type with no glue lumps, giving much longer disc life with no high spots to wear down first. Edges stay down stopping "catch-and-tear" problems. Much easier and faster to change, with no cleanup between grit changes, and no cleanup of the sander. Special surface, resin bonded to the heavy cloth backing, prevents loading up of disc and drag-off of grit, so stays cutting longer and faster without clogging. For coarse-to-fine metal finishing, and all wood finishing. Sold in packs of 3 discs each.

Attributes

- Name: [VSM ABRASIVES CORPORATION 10" \(25.4CM\) DISCS, 60 GRIT](#)
- Manufacturer: [VSM ABRASIVES CORPORATION](#)
- Product no.: 591100060
- Mfr. No.: 73019
- Grit: 60
- Size: 10
- Delivery weight: 0.227kg
- Shipping height: 23mm
- Shipping width: 269mm
- Shipping length: 262mm

Safety Instruction Guide for VSM Abrasives Corporation 10" (25.4CM) Sanding Discs, 60 Grit

Introduction

Thank you for choosing VSM Abrasives Corporation Sanding Discs. This guide provides essential safety instructions to ensure the safe and effective use of our sanding discs. Please read this guide carefully before use to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the sanding discs are compatible with your sander model before use.
- Always use personal protective equipment (PPE), including safety goggles, dust masks, and hearing protection, when operating sanding equipment.
- Keep the work area clean and welllit to prevent accidents.
- Store sanding discs in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect sanding discs for damage or wear before use. Do not use damaged discs.
- Follow all manufacturer instructions for your sander and the sanding discs.

Specific Safety Precautions for Use

- **Avoid inhalation of dust:** Use a dust extraction system or work in a wellventilated area to minimize dust exposure.
- **Avoid skin contact:** Prolonged contact with sanding dust may cause irritation. Wear gloves if necessary.
- **Check for loose clothing:** Ensure that clothing, jewelry, and hair are secured to prevent entanglement with the sander.
- **Do not exceed recommended speeds:** Use the sanding discs at the manufacturer's recommended speed to prevent overheating and potential breakage.
- **Do not force the sander:** Allow the tool to operate at its own pace. Forcing may lead to disc failure or injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the sander is turned off and unplugged before installation.
- Clean the backing pad of the sander to remove dust and debris.
- Align the sanding disc with the backing pad and press firmly to ensure proper adhesion.
- Ensure that the disc is securely attached before plugging in the sander.

2. Usage:

- Start the sander at a low speed to ensure the disc is properly seated.
- Gradually increase the speed as needed, but do not exceed the maximum RPM specified by the sander manufacturer.
- Move the sander in a consistent, even motion across the surface. Avoid staying in one spot for too long to prevent overheating.
- Regularly check the sanding disc for wear and replace it when necessary.

Disposal Instructions

- Dispose of used sanding discs in accordance with local regulations.
- Do not dispose of sanding discs in regular household waste if they contain hazardous materials.

- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to the appropriate EU contact point or local regulatory authority. Always check for the latest recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
