# Safety Instruction Guide for Tapered Rolls Merit Abrasive Products

## Introduction

Thank you for choosing the Tapered Rolls from Merit Abrasive Products. This guide provides essential safety instructions to ensure safe usage and handling of the product. Please read this guide carefully before using the product to avoid any risks and to ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that all safety equipment, such as goggles and gloves, is worn during usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all local regulations regarding the disposal of abrasive materials.

## Specific Safety Precautions for Use

- Do not exceed the maximum speed of 18,000 rpm when using the tapered rolls.
- Avoid using the product near flammable materials or in explosive environments.
- Ensure that the work area is wellventilated to avoid inhalation of dust particles.
- Do not use the product if it is damaged or if the grit is worn down.
- Always secure the workpiece properly before using the tapered rolls.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the tool you are using is compatible with the tapered rolls.
- Attach the tapered roll securely to the tool, following the tool's manual for proper attachment techniques.
- Check that the tapered roll is properly seated and does not wobble.

### 2. Usage:

- Start the tool at a low speed and gradually increase to the desired RPM.
- Apply light pressure to the workpiece; excessive pressure may cause the roll to wear out faster or break.
- Move the tapered roll smoothly across the surface without forcing it.
- Regularly check the condition of the tapered roll during use and replace it if necessary.

## Disposal Instructions

- Dispose of used tapered rolls in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling options available for abrasive materials in your area.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Tapered Rolls, please refer to the manufacturer's contact information or visit the official website for support.

By following these safety instructions, you can ensure a safe and effective experience with the Tapered Rolls from Merit Abrasive Products. Thank you for prioritizing safety in your work.
