# MILSPEC SWIVELS User Safety Instructions

## Introduction

Thank you for choosing the MILSPEC SWIVELS by UNCLE MIKES. This product is designed for heavyduty use in tactical and field environments. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the MILSPEC SWIVELS are used only for their intended purpose.
- Always inspect the swivels for any signs of wear or damage before each use.
- Do not exceed the maximum load limit of 500 pounds of pull strength.
- Keep the swivels away from children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the swivels only with compatible equipment designed for tactical applications.
- Ensure that the SwivelLock® mechanism is securely closed before use to prevent accidental opening.
- Avoid using the swivels in extreme weather conditions without proper precautions.
- Do not modify or alter the swivels in any way.
- If the swivels show signs of corrosion or damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Select a secure attachment point on your tactical gear or firearm.
- Slide the MILSPEC SWIVELS onto the attachment point.
- Ensure that the SwivelLock® is fully engaged and locked in place.

### 2. Usage:

- Always check that the swivels are properly attached before engaging in any activity.
- Maintain a firm grip on the equipment connected to the swivels during use.
- Regularly inspect the swivels during extended use to ensure they remain secure.

## Disposal Instructions

- Dispose of the MILSPEC SWIVELS in accordance with local regulations for metal products.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials if possible.

## Contact Information for Further Support

For any questions regarding safety, usage, or maintenance of the MILSPEC SWIVELS, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
