Easy, Painless Way To Load Mini-14 Magazines In The Field

Thumb-saving, lightweight magazine loader provides fast, painless, 20-round magazine loading in less than 8 seconds. Accepts 10-round stripper clips or loose rounds for easy loading of 20-round magazines, and is capable of unloading a 20-round magazine in 10 seconds. Ambidextrous, grooved thumb slide provides a non-slip grip for right- or left-hand loading. Constructed of durable, reinforced polymer for dependable operation under extreme field conditions. Designed to load factory Ruger® .223 Mini-14® magazines.

STRIPLULA Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® MINI14® STRIPLULA™. This lightweight magazine loader is designed to make loading 20round magazines quick and easy. To ensure your safety and the proper functioning of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is loading and unloading Ruger® .223 Mini14® magazines.
- Keep the loader away from children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the loader for any signs of damage or wear. Do not use if damaged.
- Store the loader in a secure location when not in use to prevent unauthorized access.
- Be aware of your surroundings when using the loader to avoid accidents.

Specific Safety Precautions for Use

- Always ensure the magazine is empty before attempting to load or unload it with the loader.
- Do not force the loader onto the magazine; this may cause damage to both the loader and the magazine.
- Use only 10round stripper clips or loose rounds as specified. Other types may not be compatible and could lead to malfunction.
- Avoid using the loader in extreme weather conditions, as this may affect its performance.
- Always load ammunition in a safe environment, away from any potential hazards.

Instructions for Installation and Usage

1. Loading the Magazine:

- Place the magazine on a stable surface.
- Insert the loader into the top of the magazine.
- Load the 10round stripper clip into the loader or place loose rounds directly into the loader.
- Push the thumb slide down firmly to load the rounds into the magazine.
- Repeat until the magazine is fully loaded.
- Ensure the magazine is securely closed before handling.

2. Unloading the Magazine:

- Hold the magazine securely.
- Insert the loader into the magazine as described above.
- Pull the thumb slide up to unload the rounds.
- Repeat until the magazine is empty.

3. Cleaning and Maintenance:

- Clean the loader with a damp cloth to remove any dirt or debris.
- Do not use harsh chemicals or solvents that may damage the polymer material.
- Store the loader in a cool, dry place.

Disposal Instructions

- Dispose of the loader in accordance with local regulations.
- Do not throw the loader into a fire, as it may release harmful substances.
- If the loader is damaged beyond repair, recycle the material if possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RUGER® MINI14® STRIPLULA™, please refer to the manufacturer's contact information found on the product packaging or the official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the RUGER® MINI14® STRIPLULA™. Always prioritize safety and proper handling to enjoy a secure shooting experience. Thank you for your attention to these guidelines.
