

GUN OIL LPX - M-PRO 7 LPX GUN OIL 2OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Technologically-Advanced Formulas Give High-Performance Results

Next-generation formula provides superior lubrication and corrosion protection for advanced military and law enforcement weapons used in extreme operating environments. Produces a thin, long-lasting protective film that repels dust, dirt, and moisture, including salt water. Combines synthetic oils with LPX additives for an extremely low coefficient-of-friction that outperforms traditional gun oils and lubricates from -85° F to +462° F. Surpasses MIL-L-63640 revision "E". Cleaning additives remove surface carbon fouling for quick field cleaning. Resists evaporation, separation, and gumming—excellent for long-term storage.

GUN OIL LPX MPRO 7 2OZ Safety Instruction Guide

Introduction

Thank you for choosing GUN OIL LPX MPRO 7 2OZ. This nextgeneration formula provides superior lubrication and corrosion protection for advanced military and law enforcement weapons used in extreme operating environments. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure the product is used only as intended.
- Keep out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Follow all local regulations for the storage and disposal of hazardous materials.

Specific Safety Precautions for Use

- Use in wellventilated areas to minimize inhalation of vapors.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when applying the product.
- Avoid using near open flames or sparks, as the product is flammable.
- Do not mix with other chemicals unless specifically instructed.
- Check the product for any damage or leakage before use. Do not use if the container is compromised.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface of the weapon is clean and free from debris.
- Shake the bottle gently before use to mix the contents.

2. Application:

- Apply a small amount of GUN OIL LPX to the desired area using a clean cloth or applicator.
- For best results, apply a thin, even layer to create a protective film.
- Allow the product to penetrate and dry for a few minutes before handling the weapon.

3. Cleaning:

- Use cleaning additives to remove surface carbon fouling for quick field cleaning.
- Wipe down surfaces with a clean cloth after application.

4. Storage:

- Store the product in its original container with the lid tightly sealed.
- Keep the product away from children and pets.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.

- Do not dispose of the product down the drain or in regular household waste.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For safety inquiries or additional information regarding GUN OIL LPX MPRO 7 2OZ, please refer to the manufacturer's contact details provided on the packaging.

Conclusion

By following these safety instructions, you can ensure the safe use of GUN OIL LPX MPRO 7 2OZ. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to safety and for choosing our product.
