

GUN OIL LPX - M-PRO 7 LPX GUN OIL 4OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Technologically-Advanced Formulas Give High-Performance Results

Next-generation formula provides superior lubrication and corrosion protection for advanced military and law enforcement weapons used in extreme operating environments. Produces a thin, long-lasting protective film that repels dust, dirt, and moisture, including salt water. Combines synthetic oils with LPX additives for an extremely low coefficient-of-friction that outperforms traditional gun oils and lubricates from -85° F to +462° F. Surpasses MIL-L-63640 revision "E". Cleaning additives remove surface carbon fouling for quick field cleaning. Resists evaporation, separation, and gumming—excellent for long-term storage.

Attributes

- Name: [M-PRO 7 LPX GUN OIL 4OZ BOTTLE](#)
- Manufacturer: [M-PRO 7](#)
- Product no.: 593000081
- Mfr. No.: 0701453
- Size: 4 oz
- Delivery weight: 0.113kg
- Shipping height: 130mm
- Shipping width: 25mm
- Shipping length: 25mm
- UPC: 763705103512

Safety Instruction Guide for GUN OIL LPX MPRO 7 4OZ

Introduction

Thank you for choosing GUN OIL LPX MPRO 7 4OZ. This product is designed to provide superior lubrication and corrosion protection for advanced military and law enforcement weapons. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with the product, including flammability and skin irritation.
- Store the product out of reach of children and pets.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest. If ingested, seek medical attention immediately.
- Use in a wellventilated area to prevent inhalation of vapors.
- Keep away from heat sources, open flames, and sparks.
- Do not mix with other chemicals or products unless specified.

Instructions for Installation and Usage

1. Preparation

- Shake the bottle before use to ensure proper mixing of ingredients.
- Ensure the surface to be treated is clean and dry.

2. Application

- Apply a thin, even layer of GUN OIL LPX to the surface of the weapon.
- Use a clean cloth or applicator to spread the oil evenly.
- Allow the product to penetrate for optimal performance.

3. After Use

- Wipe off any excess oil to prevent buildup.
- Store the product in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not pour down the drain or dispose of in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of GUN OIL LPX MPRO 7 4OZ, please refer to the contact information provided on the product packaging or your retailer's website.

Thank you for choosing GUN OIL LPX MPRO 7 4OZ. Your safety is our priority.
