

VIPER BORESNAKE - BUSHNELL VIPER BORESNAKE, 12 GA.

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Heavy-Duty, All-In-One, Pull-Through Cleaning System

Braided nylon, pull-through cleaning cord scrubs, cleans, and lubricates in a single step, just like the original Bore Snake, with 50% more scrubbing surface for those extra-tough cleaning jobs. Apply bore cleaner to the front of the cord, oil to the end, drop the weighted end down the bore, and pull through. Repeat as needed. Cone-shaped, nylon bore guide on lead end protects your gun's rifling. Extra, built-in bronze brushes and braided cord clean and oil the bore in a few passes. Washable and reusable.

VIPER BORESNAKE BUSHNELL VIPER BORESNAKE, 12 GA. Safety Instruction Guide

Introduction

Thank you for choosing the VIPER BORESNAKE BUSHNELL VIPER BORESNAKE, 12 GA. This product is designed to provide an efficient and effective means of cleaning your shotgun bore. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the firearm is unloaded before using the Bore Snake.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the Bore Snake out of reach of children and vulnerable individuals.
- Use the Bore Snake only for its intended purpose, which is cleaning shotgun bores.
- Regularly inspect the Bore Snake for any signs of wear or damage before use.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury if the firearm is not unloaded.
- Risk of damage to the firearm if the Bore Snake is used improperly.

- **Avoiding Hazards:**

- Always doublecheck that the firearm is completely unloaded.
- Follow the instructions for applying bore cleaner and oil to prevent excessive buildup.
- Do not force the Bore Snake through the bore; if resistance is encountered, check for obstructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather bore cleaner and oil.

2. Application:

- Apply bore cleaner to the front of the Bore Snake cord.
- Add oil to the weighted end of the Bore Snake.

3. Usage:

- Drop the weighted end of the Bore Snake down the bore of the shotgun.
- Pull the Bore Snake through the bore in a single motion.
- Repeat the process as needed for effective cleaning.
- The coneshaped nylon bore guide on the lead end will protect the gun's rifling during use.

4. PostUse:

- Clean the Bore Snake according to the manufacturer's instructions.
- Allow it to dry completely before storing.

Disposal Instructions

- Dispose of the Bore Snake in accordance with local regulations.
- If the Bore Snake is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any questions or concerns regarding the use of the VIPER BORESNAKE BUSHNELL VIPER BORESNAKE, 12 GA., please refer to the manufacturer's website or contact their customer support. Make sure to check for any recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety instructions. Enjoy the convenience and effectiveness of your VIPER BORESNAKE!
