## Neoprene Shoulder Pad Supports Rifle Weight & Absorbs Shock

Waterproof nylon webbing sling with flexible closed-cell neoprene pad and stretchable backing absorbs the impact from motion and bounce to reduce felt weight during carry. Non-slip "knobby" rubber insert on the back of the shoulder pad keeps the rifle from slipping off your shoulder. Alaskan Magnum model adds four, vertical, elastic shell loops to hold extra rounds at the ready for quick reloads in the field.

## Attributes

# Comfort Stretch Slings Safety Instruction Guide

## Introduction

Thank you for choosing the Comfort Stretch Sling by Bushnell. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before using the sling to maximize safety and performance.

## General Safety Guidelines

- Always inspect the sling for any signs of wear or damage before each use.
- Ensure that the sling is properly attached to your firearm before handling.
- Do not exceed the maximum load capacity of the sling.
- Keep the sling away from children and individuals who may not understand its usage.
- Always follow local laws and regulations regarding firearm handling and transportation.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the shoulder pad is correctly positioned on your shoulder to prevent slipping.
- Avoid using the sling in wet or slippery conditions to maintain grip and control.
- Do not use the sling for purposes other than carrying your firearm.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- If using the Alaskan Magnum model, ensure that the elastic shell loops are securely holding the rounds.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to the firearm's sling swivels, ensuring they are securely fastened.
- Adjust the length of the sling to fit comfortably over your shoulder.

### 2. Usage:

- Place the shoulder pad on your shoulder, ensuring a snug fit to prevent slipping.
- When carrying the firearm, keep it pointed in a safe direction.
- If using the Alaskan Magnum model, load the extra rounds into the elastic shell loops for easy access.

### 3. Maintenance:

- Clean the sling with a damp cloth to remove dirt and debris.
- Store the sling in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the sling in accordance with local waste disposal regulations.
- If the sling is damaged beyond repair, consider recycling the materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety or product concerns, please reach out to your local retailer or the manufacturer directly. Always keep your product documentation and purchase information for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your Comfort Stretch Sling. Thank you for your attention to safety.
