Neoprene Shoulder Pad Supports Rifle Weight & Absorbs Shock

Waterproof nylon webbing sling with flexible closed-cell neoprene pad and stretchable backing absorbs the impact from motion and bounce to reduce felt weight during carry. Non-slip “knobby” rubber insert on the back of the shoulder pad keeps the rifle from slipping off your shoulder. Alaskan Magnum model adds four, vertical, elastic shell loops to hold extra rounds at the ready for quick reloads in the field.

Attributes

Safety Instruction Guide for COMFORT STRETCH SLINGS BUSHNELL ALASKAN MAGNUM COMFORT STRETCH SLING

Introduction

Thank you for choosing the COMFORT STRETCH SLINGS BUSHNELL ALASKAN MAGNUM COMFORT STRETCH SLING. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the sling is suitable for your firearm and that it is properly installed before use.
- Regularly inspect the sling for any signs of wear or damage. Do not use if damaged.
- Keep the sling out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm safety and transportation.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the sling fits securely to your firearm and that the adjustable components are properly tightened.
- **Weight Distribution:** Be mindful of the sling's weight distribution when carrying your firearm to avoid muscle strain or fatigue.
- **NonSlip Feature:** The nonslip "knobby" rubber insert on the shoulder pad is designed to prevent slippage. Ensure it is clean and free of debris before use.
- **Elastic Shell Loops:** Use the elastic shell loops responsibly. Ensure that rounds are securely held and easily accessible without compromising safety.
- **Avoid Excessive Stretch:** Do not overstretch the sling beyond its designed capacity to maintain its integrity and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the firearm's sling swivels, ensuring a secure fit.
- Adjust the length of the sling to achieve a comfortable carry position.
- Verify that all connections are secure before use.

2. Usage:

- When carrying the firearm, position the sling over your shoulder and across your body for stability.
- Ensure that the firearm is pointed in a safe direction at all times.
- When not in use, store the sling in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the sling in accordance with local waste management regulations.
- If the sling is damaged beyond repair, consider recycling materials where applicable.
- Do not incinerate the sling, as it may release harmful chemicals.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the COMFORT STRETCH SLINGS BUSHNELL ALASKAN MAGNUM COMFORT STRETCH SLING, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Enjoy your experience with the COMFORT STRETCH SLING, and always prioritize safety.
