QUICK DETACH SWIVELS UNCLE MIKES 10712 W/1" LOOPS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK DETACH SWIVELS UNCLE MIKES 10712 with 1" loops. This product is designed for use with various firearms, including Marlin lever actions and many shotguns. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the swivels.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the swivels for any purpose other than their intended use.
- Regularly inspect the swivels for any signs of wear or damage.
- If any part of the product is damaged, discontinue use immediately and seek a replacement.

Specific Safety Precautions for Use

- Ensure that the diameter of your barrel falls within the specified range for the model you are using:
 - Model 10712: .420" .470"
 - Model 10512: .540" .590"
- When measuring the barrel, do so at the point of installation, usually 13" 17" forward of the trigger or 3" 4" ahead of the magazine or stock.
- Be cautious when using the swivels with firearms that have a high recoil, as this may affect the stability of the attachment.
- Avoid using the product in wet or slippery conditions, which may lead to loss of grip or control.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded.
- Gather all necessary tools, including a screwdriver for the wood screw rear base.

2. Installation:

- Identify the correct diameter for your barrel and select the appropriate model of swivels.
- Attach the split band clamps to the magazine tube or barrel securely.
- Use the provided wood screw rear base to affix the swivel to the stock or designated area on the firearm.
- Ensure that all connections are tight and secure before use.

3. Usage:

- When using the swivels, always check that they are properly secured before and during use.
- Avoid excessive force or torque that could damage the swivels or the firearm.
- After use, inspect the swivels for any signs of wear or damage before storing the firearm.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains metal components. Instead, take it

to a recycling center that accepts metal products.

- Ensure that all parts are disposed of in a way that prevents accidental injury to others.

Contact Information for Further Support

For any questions or concerns regarding the QUICK DETACH SWIVELS UNCLE MIKES 10712, please refer to the manufacturer's contact information provided with your product. You can also check for recall updates and safety information on the EU's Safety Gate platform.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of the QUICK DETACH SWIVELS UNCLE MIKES 10712. Always prioritize safety and remain informed about the proper usage of your product. Thank you for your attention and for choosing our product.
