Safety Instruction Guide for QUICK DETACH SWIVELS UNCLE MIKES 15932

Introduction

Thank you for choosing the QUICK DETACH SWIVELS UNCLE MIKES 15932. This product is designed to enhance your shooting experience by providing a secure and convenient method for attaching and detaching your firearm accessories. It is essential to understand and follow the safety guidelines outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the QUICK DETACH SWIVELS are compatible with your firearm before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the swivels for wear and damage before each use.
- Do not use the swivels if they are damaged or show signs of excessive wear.
- Follow all safety instructions provided with your firearm and related accessories.
- In case of any safety concerns or incidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the swivels.
- Do not exceed the manufacturer's recommended weight limit for the swivels.
- Use the swivels only for their intended purpose; do not modify them in any way.
- Avoid placing your fingers near the swivel mechanism during operation.
- Always be aware of your surroundings and ensure that your shooting area is safe.
- If using the swivels in adverse weather conditions, ensure they are properly secured and functional.

Instructions for Installation and Usage

1. Preparation:

- Measure the diameter of your firearm's barrel at the point of installation (usually 13"17" forward of the trigger or 3"4" ahead of the magazine or stock).
- Choose the appropriate model based on the diameter measurements:
 - Model #1: Fits various .22 caliber firearms.
 - Model #2: Fits Over/Under and Auto shotguns.
 - Model #3: Fits specific Browning and Marlin models.
 - Model #4: Fits Browning B92 and other lever actions.
 - Model #5: Fits Browning AutoLoading .22 and similar firearms.
 - Model #6: Fits Browning Model 1886 and Model 71.
 - Model #7: Fits Browning Model 1895 and Ruger Redhawk.
 - Model #8: Fits Harrington & Richardson and Savage/Stevens semiautomatics.
 - Model #9: Fits various other auto shotguns.
 - Model #10: Fits Heckler & Koch and other specified models.

2. Installation:

- Attach the split band clamps to the magazine tube or barrel based on your measurements.
- Ensure the clamps are tight and secure.
- Install the provided wood screw rear base to anchor the swivels if necessary.
- Doublecheck that all connections are secure before use.

3. Usage:

- To detach the swivels, ensure the firearm is unloaded.
- Gently pull the swivel mechanism to release the attachment.
- Always store the swivels in a safe place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the QUICK DETACH SWIVELS UNCLE MIKES 15932, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure that you have the latest information regarding product safety and recalls.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
