## Safety Instruction Guide

### Introduction

Thank you for choosing the Metalform SIG Sauer P238 .380 Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. It is important to read and understand this information before using the product.

### General Safety Guidelines

- Ensure that the magazine is compatible with your SIG Sauer P238 .380 pistol before use.
- Always treat the magazine as if it is loaded, even if you believe it to be empty.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of damage or wear. Do not use a damaged magazine.
- Always follow the manufacturer's instructions for safe handling and operation.

### Specific Safety Precautions for Use

- **Loading the Magazine:**

- Load only .380 ACP cartridges into the magazine.
- Do not exceed the magazine's stated capacity (7 rounds for this model).
- Avoid using damaged or deformed cartridges.

- **Using the Magazine:**

- Ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not attempt to force the magazine into the firearm. If it does not fit, check for obstructions or damage.
- Always ensure the firearm is on safe and pointed in a safe direction when loading or unloading the magazine.

- **Storage:**

- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Do not store the magazine loaded for extended periods; this can cause spring fatigue.

- **Transportation:**

- When transporting the magazine, ensure it is stored in a secured and safe manner to prevent accidental discharge.
- Keep the magazine separate from the firearm when not in use.

### Instructions for Installation and Usage

- **Installation:**

- To install the magazine, ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

- **Usage:**

- Once the magazine is securely in place, ensure the firearm is ready for use according to the manufacturer's instructions.
- To remove the magazine, press the magazine release button while pulling the magazine downward.
- Always check the chamber to ensure the firearm is unloaded after removing the magazine.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding metal and firearm accessories.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow proper disposal methods to ensure safety.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Metalform SIG Sauer P238 .380 Magazine, please refer to the manufacturer's contact details provided with your purchase. Additionally, you can check for recall updates and safety information through the EU's Safety Gate platform.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe use of your Metalform SIG Sauer P238 .380 Magazine. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important safety measures.
