Safety Instruction Guide for 1911 9MM MAGAZINES METALFORM 9MM GOVT/COMM BLUE 9 RD. FLAT FOLLOWER W/REMOVABLE BASE

Introduction

Thank you for choosing the 1911 9MM Magazines by Metalform. This guide provides important safety information and usage instructions to ensure the safe handling and operation of your magazines. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your 1911 Auto pistol before using the magazines.
- Always treat magazines as if they are loaded, even when they are not.
- Store magazines out of reach of children and unauthorized users.
- Regularly inspect magazines for damage or wear. Do not use damaged magazines.
- Follow all local laws and regulations regarding firearm and ammunition storage and usage.

Specific Safety Precautions for Use

• Loading and Unloading:

- Always point the firearm in a safe direction when loading or unloading.
- Use only the recommended ammunition type for your magazine (9 mm Luger).
- Do not overload the magazine beyond its specified capacity (9 rounds).

• Handling:

- Use caution when handling the magazine to avoid pinching fingers.
- Keep your hands dry and free of oil when handling the magazine to maintain a secure grip.

• Cleaning and Maintenance:

- Before cleaning, ensure that the magazine is completely unloaded.
- Use appropriate cleaning materials to avoid damaging the magazine.
- Regularly clean the magazine to ensure reliable operation.

• Disposal:

- Dispose of damaged or worn magazines in accordance with local regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is pointed in a safe direction.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Ensure the magazine is securely seated by gently tugging on it.

2. Loading:

- Hold the magazine with the follower facing up.
- Insert cartridges into the magazine, ensuring they are aligned properly.
- Do not exceed the magazine's capacity of 9 rounds.

3. Using the Magazine:

- Load the magazine into the firearm.
- Chamber a round by pulling back the slide and releasing it.
- Always keep the firearm pointed in a safe direction when firing.

4. Unloading:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Ensure the chamber is clear by visually and physically checking.

5. Cleaning:

- Detach the steel plate from the magazine for internal cleaning.
- Use a soft cloth and appropriate cleaning solution to clean the exterior and interior surfaces.
- Allow the magazine to dry completely before reassembling.

Disposal Instructions

- Dispose of magazines that are damaged or no longer functional in accordance with local laws and regulations.
- Do not throw magazines in regular trash. Contact local waste management for proper disposal methods.
