

1911 10MM MAGAZINE - METALFORM 10MM/GOVT/COMM S/S 8 RD. ROUND FOLLOWER W/WELDED BASE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Traditional & Increased-Capacity Magazines For 1911 Colts, Copies & Compacts

Robust, high-quality U.S. made magazines in blued carbon steel and stainless steel for 1911 Auto pistols chambered in a variety of calibers. Choose from round or flat steel followers, both designed to give positive last-round feeding with all bullet types, including wadcutters. Safety orange nylon follower is concave to hold an additional round. Three floorplate configurations available: Welded – Flat, steel plate permanently welded to magazine body, with screw holes to accept Metalform Bumper Pads.

Safety Instruction Guide for 1911 10MM Magazine Metalform

Introduction

Thank you for choosing the 1911 10MM Magazine Metalform. This safety instruction guide is designed to provide you with essential information to ensure the safe and effective use of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:**

- Always ensure that the magazine is suitable for your specific firearm model.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

- **Enhanced Recalls:**

- Stay informed about product recalls by checking the EU Safety Gate platform regularly.
- If you receive a recall notice, follow the instructions provided for returning or replacing the product.

- **Online Shopping:**

- When purchasing online, verify that the seller complies with safety regulations.
- Ensure that the product is accompanied by safety information.

- **Special Consumer Focus:**

- Keep the magazine and all related items out of reach of children.
- Educate all users about safe handling practices.

- **EU Contact Point:**

- For any safety inquiries, please refer to the contact information provided by the seller.

- **Rapid Alerts:**

- Monitor updates regarding product safety through the EU Safety Gate system.

Specific Safety Precautions for Use

- Always handle firearms and magazines with care.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not exceed the magazine's capacity (8 rounds) to prevent malfunctions.
- Use only compatible ammunition types as specified by your firearm manufacturer.
- Avoid exposing the magazine to extreme temperatures or moisture.
- Do not attempt to modify the magazine in any way.
- Store the magazine in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly insert the magazine until it clicks into place.

2. Loading the Magazine:

- With the magazine removed from the firearm, hold it in one hand.
- Insert rounds into the magazine, ensuring they are oriented correctly.
- Do not exceed the maximum capacity of 8 rounds.

3. Using the Magazine:

- Once loaded, insert the magazine into the firearm as described in the installation section.
- Ensure that the magazine is securely locked in place before attempting to fire.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Press the magazine release button and remove the magazine from the firearm.
- If necessary, unload any remaining rounds from the magazine in a safe environment.

Disposal Instructions

- Dispose of the magazine according to local regulations regarding metal waste.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For questions or additional support regarding safety concerns or product usage, please refer to the contact information provided by the seller.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our priority.
