[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## Traditional & Increased-Capacity Magazines For 1911 Colts, Copies & Compacts

Robust, high-quality U.S. made magazines in blued carbon steel and stainless steel for 1911 Auto pistols chambered in a variety of calibers. Choose from round or flat steel followers, both designed to give positive last-round feeding with all bullet types, including wadcutters. Safety orange nylon follower is concave to hold an additional round. Three floorplate configurations available: Welded – Flat, steel plate permanently welded to magazine body, with screw holes to accept Metalform Bumper Pads. Removable – Steel plate detaches for easy internal cleaning of mag; also accepts Bumper Pads.

# Safety Instruction Guide for 1911 8RD 40S&W MAGAZINES METALFORM

## Introduction

Thank you for choosing the 1911 8RD 40S&W Magazines by Metalform. This guide provides essential safety instructions to ensure the proper use and handling of your magazines. Please read this guide carefully and follow all safety precautions to minimize risks.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always treat the magazine as if it is loaded, even if you believe it is empty.
- Keep magazines out of reach of children and unauthorized users.
- Inspect the magazine for damage or wear before each use.
- Do not use magazines that show signs of damage, corrosion, or wear.
- Store magazines in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Use only the recommended ammunition types for your magazine to ensure safety and reliability.
- Never attempt to modify or alter the magazine in any way.
- When loading the magazine, do not exceed the specified capacity.
- Ensure that the magazine is properly seated in the firearm before firing.
- Always use proper eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Hold the magazine with the follower facing up.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue loading rounds until the magazine reaches its maximum capacity of 8 rounds.
- If using a flat follower, ensure it is positioned correctly for reliable feeding.

### 2. Installing the Magazine in the Firearm

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

### 3. Removing the Magazine

- With the firearm pointed in a safe direction, press the magazine release button.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Cleaning and Maintenance

- Regularly inspect the magazine for dirt, debris, or signs of wear.
- To clean, remove the magazine from the firearm and disassemble if necessary.
- Use a soft cloth and appropriate cleaning solution to clean the exterior and interior of the

magazine.

- Allow the magazine to dry completely before reassembling and storing.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional magazines in accordance with local regulations.
- Do not throw magazines in regular trash; check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your 1911 8RD 40S&W Magazines, please contact your local retailer or the manufacturer directly.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your 1911 8RD 40S&W Magazines. Always prioritize safety and be aware of best practices when handling firearms and accessories. Thank you for your attention to these guidelines.
