

# 1911 ADJUSTABLE REAR SIGHTS - REAR SIGHTS, PB FITS COLT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Low-Profile Mounting; Fully Adjustable

CNC-machined, steel, rear sight with Novak's famous, low-profile design and the added versatility of elevation and windage adjustments. Set screw allows drift adjustment for windage; elevation screw positively stops and audibly clicks for easy fine-tuning. Smooth, contoured edges have less chance of catching or snagging. Front sights are CNC-machined steel and mount in factory dovetail.

# Safety Instruction Guide for 1911 Adjustable Rear Sights

## Introduction

Thank you for purchasing the 1911 Adjustable Rear Sights, designed to enhance your shooting experience. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm usage and modifications.
- If you are unsure about any aspect of your firearm or accessories, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Only use the 1911 Adjustable Rear Sights with compatible models: Government, Commander, and Officers.
- Ensure that the sight is properly installed before using your firearm.
- Do not attempt to make adjustments to the sight while the firearm is loaded.
- Be cautious of sharp edges during installation and adjustment.
- If you experience any issues with the sight, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your firearm using appropriate tools.
- Align the 1911 Adjustable Rear Sight with the factory dovetail.
- Secure the sight in place using the set screw for windage adjustment.
- Adjust the elevation screw until you hear an audible click, indicating proper positioning.
- Verify that the sight is securely attached before proceeding.

### 2. Usage

- Familiarize yourself with the elevation and windage adjustments.
- Make adjustments as needed for optimal sight alignment.
- Practice shooting at a safe range to ensure proper functionality and accuracy.
- Regularly check the sight for stability and make adjustments as necessary.

## Disposal Instructions

- Dispose of the product responsibly, following local regulations regarding firearm accessories.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer usable, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions regarding the 1911 Adjustable Rear Sights or safety concerns, please reach out to the manufacturer or a qualified professional. Always ensure you are following the latest guidelines and regulations for firearm safety.

By adhering to these safety instructions and guidelines, you can ensure the safe and effective use of your 1911 Adjustable Rear Sights. Thank you for prioritizing safety in your shooting activities.
