

1911 ADJUSTABLE REAR NIGHT SIGHTS - NOVAK REAR SIGHTS, TR FITS COLT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

CNC-machined, steel, rear sight with Novak's famous, low-profile design and the added versatility of elevation and windage adjustments. Set screw allows drift adjustment for windage; elevation screw positively stops and audibly clicks for easy fine-tuning. Smooth, contoured edges have less chance of catching or snagging. Front sights are CNC-machined steel and mount in factory dovetail. Available in Tritium Dot for Colt and clones and SW1911 pistols.

Safety Instruction Guide for 1911 Adjustable Rear Night Sights

Introduction

Thank you for choosing the 1911 Adjustable Rear Night Sights by Novak. These sights are designed to enhance your shooting experience while ensuring safety during use. This guide provides essential safety instructions, installation procedures, and contact information for further support, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Inspect the sights for any damage before each use.
- Follow all local laws and regulations regarding firearm accessories.
- Keep out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Use the sights only for their intended purpose on compatible models (1911 Government, Commander, Officers).
- Avoid using the sights in extreme weather conditions that may impair visibility or functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or alter the sights in any way.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Tools:** Gather necessary tools including a screwdriver for adjusting the elevation and windage screws.
2. **Unload the Firearm:** Ensure that the firearm is completely unloaded.
3. **Remove Existing Sights:** If applicable, carefully remove any existing rear sights from your firearm.
4. **Position the New Sight:** Align the Novak rear sight with the factory dovetail on your firearm.
5. **Secure the Sight:**
 - Use the set screw to adjust for windage.
 - Ensure the sight is firmly in place but avoid overtightening.
6. **Adjust Elevation:**
 - Use the elevation screw to adjust the height of the sight.
 - Turn the screw until you hear an audible click, indicating proper adjustment.
7. **Test the Sight:** After installation, perform a function check to ensure the sight is secure and properly aligned.

Usage Guidelines

- Always wear appropriate eye and ear protection when using your firearm.
- Familiarize yourself with the sight's functionality before engaging in shooting activities.
- Practice shooting in a controlled environment to ensure accuracy and comfort with the new sights.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Follow local guidelines for the disposal of firearm accessories.
- If the sights are damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or additional information, please refer to the contact details provided by the manufacturer or your point of purchase. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the 1911 Adjustable Rear Night Sights by Novak!
