# Safety Instruction Guide for Cartridge Stop for Mossberg® 500

## Introduction

Thank you for choosing the Cartridge Stop for Mossberg® 500. This product is designed to replace the cartridge stop in Mossberg 500 shotguns chambered in 12 gauge, 20 gauge, or .410 bore. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only with compatible Mossberg 500 shotguns.
- Always handle firearms with care and in accordance with local laws and regulations.
- Store the cartridge stop in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the cartridge stop for wear or damage before use. Do not use if damaged.
- Report any unsafe products or accidents to relevant authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installing or adjusting the cartridge stop.
- Use protective eyewear when handling firearms to protect against debris or accidental discharge.
- Do not attempt to modify the cartridge stop or the shotgun in any way that could compromise safety.
- Keep fingers away from the trigger until ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the shotgun is completely unloaded. Check the chamber and magazine.
2. **Remove Old Cartridge Stop:** Using appropriate tools, carefully remove the existing cartridge stop from the shotgun.
3. **Install New Cartridge Stop:**
  - Align the new cartridge stop with the mounting points.
  - Secure it in place according to the manufacturer's specifications, ensuring it is firmly attached.
4. **Final Check:** After installation, doublecheck that the cartridge stop is secure and functions properly.

### Usage

- After installation, test the shotgun in a safe environment to ensure proper function.
- Follow all standard operating procedures for the Mossberg 500 shotgun.
- Regularly check the cartridge stop for proper operation during use.

## Disposal Instructions

- Dispose of the cartridge stop in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the cartridge stop in household waste. Check for local recycling programs.

## Contact Information for Further Support

For any questions or concerns regarding the Cartridge Stop for Mossberg® 500, please refer to the manufacturer's website or customer support resources for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Mossberg 500 shotgun and its new cartridge stop. Thank you for your attention to safety.
