

COMP SIGHT - HIVIZ COMP SIGHT

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Improves Target Visualization

Light gathering, polymer rod provides an easy-to-see dot in low light and bright daylight. Steel base replaces front bead, screws on for a secure mount. Includes eight interchangeable light pipes, three red, four green and one white in four diameters: .090", .110", .120" and .135" for competition, law enforcement and field use. Four sight mounting screws are supplied to fit nearly all shotgun ribs, plus a rotary carrying case for storing light pipes and spring release key.

COMP SIGHT HIVIZ COMP SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the COMP SIGHT HIVIZ COMP SIGHT. This guide provides important safety instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any visible damage before use.
- Store the product in a safe location, out of reach of children and vulnerable individuals.
- Maintain the product according to the manufacturer's specifications to ensure optimal performance.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use only the provided screws to secure the sight to your shotgun.
 - Ensure that the sight is mounted securely before use to prevent any accidents.
- **Usage Safety:**
 - Do not attempt to modify or alter the sight in any way.
 - Use the sight only with compatible shotgun models as specified in the product specifications.
 - Keep the sight clean and free from obstructions for optimal visibility.
- **Child Safety:**
 - This product is not intended for use by children. Keep out of their reach at all times.

Instructions for Installation and Usage

1. Installation:

- Ensure your shotgun is unloaded and safe to handle before proceeding with installation.
- Remove the front bead from your shotgun.
- Align the steel base of the COMP SIGHT with the mounting location.
- Use the appropriate screws provided to secure the sight. Refer to the specifications for screw sizes compatible with your shotgun model.
- Tighten screws firmly, but do not overtighten to avoid damage.

2. Usage:

- When using the sight, ensure that the light pipes are securely fitted.
- Choose the appropriate diameter light pipe based on your visibility needs and conditions.
- Practice using the sight in a safe environment before using it in the field or during competitions.
- Regularly check the sight for wear and tear, and replace any damaged components immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If applicable, return the product to the manufacturer for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
