SHOTGUN FIBER OPTIC FLAME SIGHT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SHOTGUN FIBER OPTIC FLAME SIGHT, GREEN. This product is designed to enhance your shooting experience by providing a highly visible front sight for your shotgun. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is suitable for your specific shotgun model. This sight is designed for universal shotguns with a ventilated rib.
- Always handle firearms responsibly and follow local laws and regulations regarding their use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of wear or damage before use. If damaged, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the sight or use it in a manner not intended by the manufacturer.
- Ensure that the sight is securely installed before using your shotgun.
- Avoid using the shotgun in wet or slippery conditions where visibility may be compromised.
- Use appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your shotgun is unloaded and pointed in a safe direction.
2. **Remove Old Sight:** Use the appropriate tool to carefully remove the existing front bead sight.
3. **Install the Fiber Optic Sight:**
 - Align the fiber optic sight with the front sight mounting hole.
 - Use the included screws to secure the sight in place. Ensure it is tightened properly but do not overtighten to avoid damaging the sight or shotgun.
4. **Check Alignment:** Once installed, check the alignment of the sight to ensure it is straight and level.
5. **Final Inspection:** Inspect the installation for stability and ensure there are no loose parts.

Usage Instructions

- When aiming, ensure that your eye is aligned with the fiber optic rod for optimal visibility.
- In low light conditions, the fluorescent LitePipe will provide enhanced visibility.
- Practice regularly to become familiar with the sight and improve your shooting accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the sight in regular household waste. Check for designated recycling facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the SHOTGUN FIBER OPTIC FLAME SIGHT, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the SHOTGUN FIBER OPTIC FLAME SIGHT, GREEN!
