

# S&W CLASSIC, PERFORMANCE CENTER & DX MODELS OVERMOLDED SIGHTS - HIVIZ .250" FRONT SIGHT, GREEN

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## Improved Visibility In All Light Conditions

Replacement front sights work in conjunction with factory rear sights to give you fast sight acquisition in most light conditions. Machined steel body uses overmolded technology to completely cover and protect the light gathering, polymer LightPipe with an extra layer of clear polymer. Gunsmith fitting recommended. S&W CLASSIC, PERFORMANCE CENTER & DX MODELS - Interchangeable for different shooting distances and scenarios. Easy-to-see, bright red or green light rod makes target acquisition fast and efficient. Specially machined base is precision cut to fit factory ramp or base. Fits S&W Classic, Performance Center, and DX models.

# **Safety Instruction Guide for S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .250" Front Sight, Green**

## **Introduction**

Thank you for choosing the S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .250" Front Sight. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this document carefully to ensure safe and effective use.

## **General Safety Guidelines**

- Ensure that the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- If you notice any defects, do not use the product and seek assistance.

## **Specific Safety Precautions for Use**

- Use only compatible firearms as specified in the product description.
- Avoid using the sight in extreme weather conditions that may affect visibility.
- Do not attempt to modify or alter the sight in any way.
- Always wear appropriate eye protection when using firearms.
- Ensure that the sight is securely fitted before each use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the factory front sight from your firearm using the appropriate tools.
- Align the specially machined base of the HIVIZ sight with the factory ramp or base.
- Secure the sight in place according to the manufacturer's instructions, ensuring a snug fit.
- Verify that the sight is properly aligned before use.

### **2. Usage:**

- Use the sight in conjunction with factory rear sights for optimal performance.
- Adjust your shooting stance and grip to ensure stability while aiming.
- Utilize the bright green light rod for enhanced target acquisition in various lighting conditions.
- Regularly practice with the sight to become familiar with its performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer usable, follow proper disposal methods for electronic and polymer materials.

## **Contact Information for Further Support**

For safety inquiries, product support, and further assistance, please refer to the manufacturer's contact details provided on the product packaging or the official website.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .250" Front Sight. Thank you for your attention to these important guidelines.
