

S&W CLASSIC, PERFORMANCE CENTER & DX MODELS OVERMOLDED SIGHTS - HIVIZ .250" FRONT SIGHT, RED

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Improved Visibility In All Light Conditions

Replacement front sights work in conjunction with factory rear sights to give you fast sight acquisition in most light conditions. Machined steel body uses overmolded technology to completely cover and protect the light gathering, polymer LightPipe with an extra layer of clear polymer. Gunsmith fitting recommended. S&W CLASSIC, PERFORMANCE CENTER & DX MODELS - Interchangeable for different shooting distances and scenarios. Easy-to-see, bright red or green light rod makes target acquisition fast and efficient. Specially machined base is precision cut to fit factory ramp or base. Fits S&W Classic, Performance Center, and DX models.

Safety Instruction Guide for S&W CLASSIC, PERFORMANCE CENTER & DX MODELS OVERMOLDED SIGHTS HIVIZ .250" FRONT SIGHT, RED

Introduction

Thank you for choosing the S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .250" Front Sight, Red. This guide provides essential safety instructions and guidelines for the safe use, installation, and disposal of the product. Please read this document carefully to ensure safe handling and operation.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions. This product is designed for use with S&W Classic, Performance Center, and DX models only.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, take immediate action to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that you are buying from reputable sources that comply with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries related to this product, please contact the manufacturer or authorized distributor within the EU.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Installation:** Only qualified gunsmiths should install the sight. Improper installation may lead to misalignment and unsafe operation.
- **Usage:** Ensure that the firearm is unloaded before installing or adjusting the sight. Always follow firearm safety rules.
- **Inspection:** Regularly inspect the sight for any signs of wear or damage. Do not use if damaged.
- **Environment:** Use the sight in appropriate lighting conditions to maximize visibility and effectiveness.
- **Storage:** Store the firearm and sight in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight according to the manufacturer's instructions.
- Align the HIVIZ front sight with the factory ramp or base.
- Securely attach the sight using appropriate tools, ensuring it is tightly fitted.
- It is recommended to have a qualified gunsmith perform this installation.

2. Usage:

- Familiarize yourself with the sight's features before use.
- Practice aiming in a safe environment to ensure proper sight alignment.
- Adjust your aim based on the target distance and lighting conditions.

Disposal Instructions

- **Disposal:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle components of the sight according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the S&W Classic, Performance Center & DX Models Overmolded Sights HIVIZ .250" Front Sight, please contact the manufacturer or authorized distributor. Ensure that you have the product details and any relevant information ready for a more efficient response.
