

S&W J FRAME OVERMOLDED HANDGUN FRONT SIGHTS - S&W FRONT SIGHT, GREEN

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Improved Visibility In All Light Conditions

Replacement front sights work in conjunction with factory rear sights to give you fast sight acquisition in most light conditions. Machined steel body uses overmolded technology to completely cover and protect the light gathering, polymer LightPipe with an extra layer of clear polymer. Fits J frame revolvers with sub 3" or shorter barrel and pinned front sight blade. Sight is not predrilled; gunsmith fitting recommended. Available with red or green light rod.

S&W J FRAME OVERMOLDED HANDGUN FRONT SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the S&W J Frame Overmolded Handgun Front Sights. This product is designed to enhance your shooting experience by providing fast sight acquisition in various lighting conditions. It is essential to follow safety guidelines to ensure proper use and avoid potential hazards. This guide outlines important safety instructions, precautions, and installation procedures.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm accessories in your area.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep your firearm pointed in a safe direction at all times.
- Store firearms and accessories in a secure location, out of reach of children and unauthorized users.
- Inspect your firearm and accessories regularly to ensure they are in good working condition.
- Use only the recommended parts and accessories for your firearm to avoid malfunctions.

Specific Safety Precautions for Use

- Only use this front sight on J frame revolvers with a barrel length of less than 3 inches and a pinned front sight blade.
- Ensure that the sight is fitted by a qualified gunsmith to avoid improper installation.
- Do not attempt to modify or alter the front sight in any way.
- Be aware that the sight is not predrilled; proper fitting is essential for safe use.
- If you notice any damage or malfunction, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a gunsmithing toolset.

2. Installation:

- Remove the existing front sight from your J frame revolver carefully.
- Clean the sight mounting area to ensure a secure fit.
- Align the new front sight with the mounting area.
- Have a qualified gunsmith drill and fit the sight according to specifications.

3. Usage:

- Once installed, familiarize yourself with the sighting system.
- Practice shooting in a safe environment to ensure proper sight alignment and acquisition.
- Regularly check the sight for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the EUbased contact point provided with the product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your S&W J Frame Overmolded Handgun Front Sights. Always prioritize safety when handling firearms and their accessories. Thank you for your attention to these important safety measures.
