

FIBER OPTIC FRONT SIGHTS for GLOCK® - GL2009G TACTICAL FRONT SIGHT, GREEN FITS GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

GL2009G - New Glock® Tactical front sight, resin overmold available in either red or green. LitePipe diameter is .120". Fits all Glocks except ported or compensated models. Not recommended of Glock® 34s with cut-away on slide. Height of sight from slide up is .162. HIVIZ Dovetail Sight Installation Warning!! We recommend gunsmith installation of dovetail sights. If a sight pusher is used for installation it must be of the type that pushes on the dovetail itself. Never use a sight pusher that exerts pressure on the blade of a sight. Our sight bases are manufactured from quality steel, but due to the design, sight pushers that exert pressure on the blade will damage the sight. HIVIZ dovetails are manufactured slightly oversize to allow for dovetail cut wear on used guns. Fitting will likely be necessary for proper installation.

Attributes

FIBER OPTIC FRONT SIGHTS for GLOCK® GL2009G TACTICAL FRONT SIGHT, GREEN Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS for GLOCK® GL2009G TACTICAL FRONT SIGHT, GREEN. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific model of Glock®.
- Always follow local laws and regulations regarding firearm modifications.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- Report any unsafe conditions or accidents associated with the product to the relevant authorities.

Specific Safety Precautions for Use

- The FIBER OPTIC FRONT SIGHT is designed for use on all Glock® models except ported or compensated models.
- Not recommended for Glock® 34s with cutaway on slide.
- Installation should be conducted by a qualified gunsmith to avoid damage to the sight or firearm.
- If using a sight pusher for installation, ensure it is the type that pushes on the dovetail only. Do not use a sight pusher that exerts pressure on the blade.
- Use caution when handling the sight to prevent any injury or damage.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a sight pusher (if applicable) and any other installation tools needed.

2. Installation Steps

- Remove the existing front sight from your Glock® using the appropriate tools.
- Clean the dovetail area to remove any debris or old adhesive.
- Align the new FIBER OPTIC FRONT SIGHT with the dovetail cut on your Glock®.
- If using a sight pusher, carefully push the sight into place, ensuring that pressure is applied only to the dovetail, not the blade.
- Check the alignment of the sight and make any necessary adjustments.

3. PostInstallation Check

- Ensure that the sight is securely installed and does not move when touched.
- Test the sight alignment by aiming the firearm at a safe target.
- Make any necessary adjustments to ensure proper sight alignment.

Disposal Instructions

- Dispose of any packaging materials and unused parts in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, follow local guidelines for the disposal of nonfood products.

Contact Information for Further Support

For any questions or concerns regarding the installation, use, or safety of your FIBER OPTIC FRONT SIGHTS for GLOCK® GL2009G TACTICAL FRONT SIGHT, GREEN, please refer to the manufacturer's website or contact customer support.

Conclusion

Following these safety guidelines and instructions will help ensure the safe and effective use of your FIBER OPTIC FRONT SIGHTS for GLOCK® GL2009G TACTICAL FRONT SIGHT, GREEN. Always prioritize safety and remain informed about proper handling and installation practices. Thank you for your attention to these important safety instructions.
