RUGER® LCR® FIBER OPTIC FRONT SIGHTS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the RUGER® LCR® Fiber Optic Front Sight. This guide provides important safety information and instructions to ensure the safe and effective use of your new front sight. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that all nonfood products, including this front sight, are used safely. This product meets EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Consumer Focus:** This product is not intended for children. Ensure it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information, which is available with your purchase.
- **Rapid Alerts:** Report any unsafe products or accidents to the appropriate authorities as soon as possible.

Specific Safety Precautions for Use

- **Compatibility:** This front sight is designed to fit Ruger® LCR and LCRx models in .38, .357, and 9mm. It does not fit the LCR 22, 22 Mag, and 327 Federal models.
- **Installation Safety:** Ensure the firearm is unloaded before attempting to install the front sight. Always follow firearm safety rules.
- **Proper Handling:** Use caution when handling the front sight. The steel crosspin included for securing the sight may have sharp edges.
- **Regular Inspections:** Regularly inspect the front sight for any signs of wear or damage. Do not use if damaged.
- **Safe Storage:** Store the firearm with the installed front sight in a secure location, away from unauthorized users.

Instructions for Installation and Usage

1. **Gather Tools:** You will need a suitable punch tool to install the front sight.
2. **Ensure Safety:** Confirm that your firearm is completely unloaded. Remove any ammunition from the vicinity.
3. **Remove Factory Sight:**
 - Use the punch tool to carefully remove the factory front sight from the mounting stub.
 - Take care not to damage the mounting stub.
4. **Install New Front Sight:**
 - Align the contoured base of the RUGER® LCR® Fiber Optic Front Sight with the barrel radius.
 - Insert the included steel crosspin through the mounting stub to secure the new front sight in place.
5. **Check Installation:** Ensure that the front sight is securely installed and does not wobble.
6. **Test Functionality:** After installation, test your firearm to ensure that the sight is functioning properly and aligns with your shooting needs.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product and packaging materials in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle materials such as plastic and metal components.

Contact Information for Further Support

For any questions or concerns about the installation or safety of the RUGER® LCR® Fiber Optic Front Sight, please refer to the manufacturer's contact information provided with your purchase.

By following these guidelines and instructions, you can ensure safe and effective use of your RUGER® LCR® Fiber Optic Front Sight. Thank you for prioritizing safety in your shooting experience.
