SIG SAUER LITEWAVE SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER LITEWAVE SIGHTS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new sights. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage.
- If you notice any defects or issues, discontinue use and consult a qualified professional.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the light source of the sights, as it may cause eye strain or injury.
- **Proper Installation:** Ensure that the sights are installed correctly to avoid misalignment or detachment during use.
- **Compatibility Check:** Confirm that the sights are compatible with your specific P Series Sig pistol model before installation.
- **Use in Appropriate Conditions:** Avoid using the sights in extreme weather conditions that may affect performance, such as heavy rain or snow.
- **Regular Maintenance:** Clean the sights regularly to maintain optimal performance and visibility.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your P Series Sig pistol using appropriate tools.
- Align the LITEWAVE rear sight with the sight dovetail on the pistol.
- Securely fasten the sight into place, ensuring it is aligned properly.
- Repeat the process for the front sight, ensuring compatibility with either the machined or stamped slide based on your model.
- Insert the interchangeable LitePipes (red, green, or black) as desired.

2. Usage:

- When aiming, ensure that the LITEWAVE sights are properly aligned with your target.
- Use the sights in welllit conditions to maximize visibility.
- Practice regularly to become familiar with the sighting system and improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Consider recycling options or return to the manufacturer for proper disposal.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the EUbased contact point associated with this product. Always ensure that you have a reliable source for assistance regarding product safety and compliance.

By following these guidelines and instructions, you can ensure a safe and effective experience with your SIG SAUER LITEWAVE SIGHTS. Thank you for your commitment to safety and responsible firearm use.
