# SIG SAUER LITEWAVE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the SIG SAUER LITEWAVE SIGHTS. This guide provides essential safety instructions and information to ensure safe usage and maintenance of your product. Please read this guide carefully before using the sights.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks associated with the use of sights, including potential for misalignment or damage during installation.
- Check for recall updates on the EU's Safety Gate platform to stay informed about any safety notices related to this product.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle your firearm with care and follow all safety protocols associated with firearm usage.
- Ensure the firearm is unloaded before installing or adjusting the sights.
- Verify that the sights are compatible with your specific model of SIG P Series pistol.
- Use only the recommended LitePipes for your LITEWAVE sights to avoid any functional issues.
- Be cautious when using the sights in lowlight conditions; ensure proper visibility of the sighting system.
- Keep the sights clean and free of debris to maintain optimal performance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Gather Required Tools:

- Screwdriver (appropriate size for your firearm)
- Cleaning cloth

#### 2. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the sighting area on the firearm with a cleaning cloth to remove any debris.

#### 3. Remove Existing Sights:

- Carefully remove the existing rear sight from the firearm using the screwdriver.
- Store the removed sight in a safe place.

#### 4. Install New LITEWAVE Sight:

- Align the new LITEWAVE sight with the mounting area on the firearm.
- Secure the sight in place using the screws provided.
- Ensure the sight is firmly attached and does not move.

#### 5. Adjust for Accuracy:

- If necessary, make adjustments to align the sights according to your shooting preferences.
- Test the setup at a safe shooting range to ensure accuracy.

## **Usage Instructions**

- Use the LITEWAVE sights only with compatible SIG P Series pistols.
- Adjust the brightness of the LitePipes by changing the colors according to your visibility preferences.
- Practice regularly to become familiar with the sighting system and improve accuracy.

## **Disposal Instructions**

- Dispose of any damaged or unusable sights in accordance with local regulations.
- Recycle materials whenever possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or support regarding the SIG SAUER LITEWAVE SIGHTS, please refer to the appropriate contact points established by the manufacturer. Ensure to have your product details ready for any assistance needed.

Thank you for prioritizing safety and compliance with the guidelines outlined in this instruction guide. Your careful attention to these details will help ensure a safe and enjoyable experience with your SIG SAUER LITEWAVE SIGHTS.
