- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- When using the sights, maintain a proper shooting stance and ensure that your target area is safe.
- Do not modify the sights or use them in a manner not specified in this guide.
- Be aware of your surroundings and ensure that no one is in your line of fire when using the sights.
- Use the appropriate LitePipes for your specific model to ensure optimal performance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from the firearm using the appropriate tools.
3. **Install New Sights:**
 - Align the SIG SAUER LITEWAVE Front Sight with the mounting slot on the firearm.
 - Secure the sight using the provided screws or fasteners. Ensure it is tightly fitted.
4. **Adjusting the Sights:** Make necessary adjustments to align the sights according to your preference. Refer to the product manual for specific adjustment instructions.

Usage

- Select the appropriate LitePipe color (red, green, or white) based on your visibility needs and preferences.
- Ensure that the LitePipe is properly seated in the sight before use.
- Practice shooting in a controlled environment to become familiar with the sighting system.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.
