[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Easy-To-See Fiber Optics Help You See the Sights & Give You More Confidence in Low Light

The HIVIZ Adjustable Sight Set for S&W M&P pistols gets you on target faster and more effectively than standard plain black or even white dot sights. An elevation adjustable rear sight, combined with bright fiber optic dots on the front and rear, enhance your accuracy in almost any lighting conditions. Constructed with rugged steel sight bodies, the Adjustable Sight Set for the S&W M&P features HIVIZ's interchangeable LitePipe system so you can quickly and easily change the color of the fiber optic inserts in your pistol to suit your needs. Customizable so you can have the color combination in your sight picture that works best for your eyes Front sight comes with green, red & white LitePipes Rear sights includes green, red & black LitePipes. This set has a front sight height of 0.310 which will work on most suppressors. The HIVIZ Adjustable Sight Set fits all Smith & Wesson M&P full-size and PRO models in 9mm, 40 S&W and .45 ACP, including long-slide M2.0 models. Does not fit CORE models.

FRONT & ADJUSTABLE REAR SIGHT SET S&W M&P Safety Instruction Guide

Introduction

Thank you for choosing the HIVIZ Adjustable Sight Set for your Smith & Wesson M&P pistols. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the sight set to understand the safety precautions and installation instructions.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the sight set.
- Use the sight set only with compatible Smith & Wesson M&P models (fullsize and PRO models in 9mm, 40 S&W, and .45 ACP).
- Do not attempt to modify the sight set or use it in any way not specified in the instructions.
- Keep the sight set out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage before each use.
- Immediately discontinue use if you notice any damage or if the sight does not function properly.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction whenever handling or adjusting the sight set.
- Avoid using the sight set in extreme weather conditions that may affect its performance (e.g., heavy rain, extreme heat).
- Be aware that the visibility of fiber optic sights may vary based on lighting conditions.
- Always wear appropriate eye protection when shooting.
- Use caution when changing LitePipe colors to avoid losing small parts.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:** Ensure that your Smith & Wesson M&P pistol is completely unloaded. Remove any magazine and visually inspect the chamber.
2. **Remove Existing Sights:** If applicable, carefully remove the existing front and rear sights using appropriate tools.
3. **Install Front Sight:**
 - Align the front sight base with the dovetail on the slide.
 - Gently tap the sight into place using a nonmarring tool.
4. **Install Rear Sight:**
 - Align the rear sight with the dovetail on the slide.
 - Tap the rear sight into place, ensuring it is secure.
5. **Adjust for Elevation:** Use the elevation adjustment feature to set the rear sight to your preferred height.
6. **Change LitePipe Colors (if desired):**
 - Remove the LitePipe from the front sight by following the manufacturer's instructions.
 - Insert the desired color LitePipe and ensure it is securely in place.

Usage Instructions

- **Sighting In:** Once installed, take the time to sight in your firearm at a safe shooting range.
- **Adjustments:** Make any necessary adjustments to the sights based on your shooting performance.
- **Routine Checks:** Regularly check the tightness and alignment of the sights, especially after extensive use.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic and metal waste.
- Do not throw the sight set in regular household trash.
- If the sight set is damaged, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the HIVIZ Adjustable Sight Set, please contact your local retailer or visit the manufacturer's website for more information.

Thank you for your attention to these safety guidelines. Enjoy your improved accuracy and enhanced shooting experience with the HIVIZ Adjustable Sight Set.
