

LITEWAVE H3 TRITIUM WHITE RING FRONT SIGHT SET W/ GREEN LITEPIPES - HIVIZ GLOCK® 9MM/.40S&W/.357 SIG LITEWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green Sights from HIVIZ deliver a one-two punch of Tritium and LitePipe fiber optic technology to ensure you can see your pistol's sights 24 hours a day in ANY light conditions. The LitePipe fiber optic rods gather ambient light to produce bright green aiming dots that are as easy to acquire in the sunlight of high noon as in the gathering shadows before sunset. At night, the LiteWave H3™ sights' green self-illuminating Tritium inserts - filled with extra-bright "H3" Tritium gas - take over to maintain full visibility of those three dots. Day or night, a white outline around the front dot helps the shooter distinguish it from the rear dots. Exceptional visibility in ANY light conditions Traditional, intuitive horizontal 3-dot pattern All dots are GREEN - other colors available separately White outline differentiates front dot Steel sight bodies with durable satin black finish Fits factory dovetails Factory height - will not interfere with standard holsters 1911 set fits all Kimber pistols with fixed sights; does not fit Micro Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl HIVIZ LiteWave H3™ Green sights are sold as front/rear sight sets and are engineered for a drop-in fit to your pistol's factory slide dovetails (screw holes, in the case of Glocks). Sight bodies are made entirely of steel to ensure thorough protection of the Tritium and fiber optic inserts. Sights are sized for proper clearance in standard holsters for your pistol. Isn't it about time to ride the Wave? Put a set of HIVIZ LiteWave H3™ Green Sights on your pistol, and enjoy the peace of mind you get from knowing whatever the situation you won't lose time trying to find your sights!

LITEWAVE H3 Tritium White Ring Front Sight Set

Safety Instructions

Introduction

Thank you for choosing the LITEWAVE H3 Tritium White Ring Front Sight Set by HIVIZ. This product is designed to enhance your shooting experience by providing exceptional visibility in various light conditions. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that your firearm is unloaded and pointed in a safe direction when installing or adjusting the sights.
- Always wear appropriate eye protection when using firearms.
- Keep the sights and all firearm components clean and free from obstructions.
- Regularly inspect the sights for any signs of damage or wear.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith or contact customer support.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Specific Safety Precautions for Use

- The LITEWAVE H3 sights are designed for use with specific firearm models. Ensure compatibility with your firearm before installation.
- The Tritium inserts are selfilluminating but should not be relied upon as the sole source of visibility in complete darkness.
- Avoid exposing the sights to extreme temperatures or harsh chemicals that may damage the materials.
- The sights should not be modified or altered in any way, as this may compromise safety and performance.
- Keep the product out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and in a safe condition.
- Remove the existing sights from your firearm using an appropriate sight tool.
- Align the new LITEWAVE H3 sights with the factory dovetails of your firearm. Ensure they are seated properly.
- Secure the sights according to the manufacturer's specifications. If applicable, use screws provided for Glocks.
- Check alignment and ensure that the sights are firmly in place before use.

2. Usage

- Familiarize yourself with the sight picture before using the firearm in a live environment.
- Practice aiming and shooting in various lighting conditions to understand how the sights perform.
- Regularly check the sights for proper alignment and condition before each use.
- If you notice any issues, such as loose sights or diminished visibility, stop using the firearm and address the problem.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not dispose of the product in regular household waste.
- If the Tritium inserts become damaged, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the LITEWAVE H3 Tritium White Ring Front Sight Set, please reach out to your local authorized dealer or the manufacturer directly. Ensure you have your product details and any relevant information ready for assistance.

By following these safety instructions, you can enjoy the benefits of the LITEWAVE H3 sights while ensuring a safe shooting experience. Thank you for your attention to safety and responsible firearm use.
