

LITEWAVE H3 TRITIUM WHITE RING FRONT SIGHT SET W/ GREEN LITEPIPES - HIVIZ 1911 KIMBER FIXED (NOT MICRO) LIGHTWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green Sights from HIVIZ deliver a one-two punch of Tritium and LitePipe fiber optic technology to ensure you can see your pistol's sights 24 hours a day in ANY light conditions. The LitePipe fiber optic rods gather ambient light to produce bright green aiming dots that are as easy to acquire in the sunlight of high noon as in the gathering shadows before sunset. At night, the LiteWave H3™ sights' green self-illuminating Tritium inserts - filled with extra-bright "H3" Tritium gas - take over to maintain full visibility of those three dots. Day or night, a white outline around the front dot helps the shooter distinguish it from the rear dots. Exceptional visibility in ANY light conditions Traditional, intuitive horizontal 3-dot pattern All dots are GREEN - other colors available separately White outline differentiates front dot Steel sight bodies with durable satin black finish Fits factory dovetails Factory height - will not interfere with standard holsters 1911 set fits all Kimber pistols with fixed sights; does not fit Micro Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl HIVIZ LiteWave H3™ Green sights are sold as front/rear sight sets and are engineered for a drop-in fit to your pistol's factory slide dovetails (screw holes, in the case of Glocks). Sight bodies are made entirely of steel to ensure thorough protection of the Tritium and fiber optic inserts. Sights are sized for proper clearance in standard holsters for your pistol. Isn't it about time to ride the Wave? Put a set of HIVIZ LiteWave H3™ Green Sights on your pistol, and enjoy the peace of mind you get from knowing whatever the situation you won't lose time trying to find your sights!

Safety Instruction Guide for LITEWAVE H3 TRITIUM WHITE RING FRONT SIGHT SET W/ GREEN LITEPIPES HIVIZ 1911 KIMBER FIXED

Introduction

Thank you for choosing the LITEWAVE H3 Tritium White Ring Front Sight Set with Green LitePipes. This guide provides essential safety information to ensure the proper use and maintenance of your product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle your firearm safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any defects or malfunctions, discontinue use immediately and contact a qualified gunsmith or the manufacturer.

Specific Safety Precautions for Use

- **Visibility:** Ensure that the sights are properly aligned and visible before use. The Tritium inserts provide illumination in low light conditions but may require adequate ambient light for optimal performance.
- **Installation:** Follow the installation instructions carefully to avoid misalignment or damage to your firearm.
- **Compatibility:** Confirm that the sight set is compatible with your specific model of 1911 Kimber pistol. This product is designed for fixed sights and is not suitable for Micro Glock models or other incompatible firearms.
- **Shooting Environment:** Be aware of your shooting environment. The sights are designed for visibility in various lighting conditions, but extreme conditions may affect performance.
- **Maintenance:** Regularly clean and maintain the sight set to ensure longevity and optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old sight set according to the manufacturer's instructions.
- Align the new LITEWAVE H3 Tritium sights with the factory dovetail or screw holes, depending on your firearm model.
- Securely fasten the sights in place, ensuring they are properly aligned for accurate aiming.
- Doublecheck the installation for any movement or misalignment before use.

2. Usage:

- Familiarize yourself with the sight picture and how the Tritium and LitePipe technology work together.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Always follow safe shooting practices and guidelines while using your firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the sight set in regular household waste.
- Contact local waste management authorities for proper disposal methods of Tritium-containing products.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance of the LITEWAVE H3 Tritium White Ring Front Sight Set, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

By following the guidelines outlined in this safety instruction guide, you can ensure the safe and effective use of your LITEWAVE H3 Tritium White Ring Front Sight Set. Enjoy enhanced visibility and improved shooting accuracy with confidence. Always prioritize safety in all your shooting activities.
