

# LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES - HIVIZ GLOCK® 42/43 LITEWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green + Orange Front Ring Sights from HIVIZ deliver a "triple threat" improvement on traditional night sight technology that ensures you can easily acquire your sights 24 hours a day in ANY light conditions. LitePipe fiber optic rods gather ambient light to produce a bright green, three-dot sight picture that's as easy to acquire in the sunlight of high noon as it is in the long shadows just before sunset. At night, the LiteWave H3's self-illuminating green Tritium inserts - filled with extra-bright "H3" Tritium gas - take over to maintain full visibility of those three dots. As a further enhancement, this version of LiteWave H3™ sights have a bright orange ring surrounding the front dot to help you find the front sight and get the three dots aligned fast - STP, in fact. (That's Sooner Than Possible... OK, maybe we exaggerate just a bit.) Front & rear dots are GREEN; front dot surrounded by ORANGE circle Traditional, intuitive, horizontal 3-dot pattern Exceptional visibility in ANY light conditions Steel sight bodies with durable satin black finish 1911 set fits all Kimber pistols with fixed sights; does not fit Micro Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl Sold as front/rear sight sets, HIVIZ LiteWave H3™ Green + Orange Front Ring sights are engineered for a drop-in fit to your pistol's factory slide dovetails or screw holes. Sight bodies are made entirely of steel to ensure excellent protection for the Tritium and fiber optic inserts. Sights are sized to allow proper clearance in standard holsters for your pistol. Put a set of HIVIZ LiteWave H3™ Green + Orange Front Ring sights on your pistol - and enjoy all the benefits of the highly intuitive, easy to acquire sights that get you on target FAST!

# Safety Instruction Guide for LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET

## Introduction

Thank you for choosing the LITEWAVE H3 Tritium Orange Ring Front Sight Set from HIVIZ. This product enhances your shooting experience by providing improved visibility in various lighting conditions. This safety instruction guide is designed to help you use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the sight set by following all instructions carefully. This product is designed for use with Glock® 42 and 43 models only.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU's Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with all safety requirements and provides necessary product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact details provided with your product.
- **Rapid Alerts:** Be aware that updates on unsafe products are available through the Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Use:** Only use the sight set on compatible Glock® models (42 and 43) as specified. Using it on incompatible models may result in malfunction or injury.
- **Visibility:** The sights are designed to enhance visibility in lowlight conditions. Ensure that you are familiar with their operation before use in such environments.
- **Maintenance:** Regularly check the sights for any signs of damage or wear. Do not use if damaged.
- **Installation:** Follow the installation instructions carefully to avoid misalignment or improper fitting, which could affect accuracy and safety.
- **Shooting Range Safety:** Always adhere to shooting range safety rules and regulations when using the product.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your pistol is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use appropriate tools to carefully remove the existing sights from your Glock® 42 or 43.
3. **Align New Sights:** Position the LiteWave H3 sights into the factory dovetails or screw holes on your pistol's slide.
4. **Secure Sights:** Tighten any screws or set screws to ensure the sights are secure, but do not overtighten as this may cause damage.
5. **Check Alignment:** Ensure that the sights are aligned properly before using the pistol.

### Usage

- **Target Acquisition:** Use the bright green dots for quick target acquisition. The orange ring around the front dot aids in aligning your sights quickly.
- **Practice:** Spend time practicing with the sights in various lighting conditions to become familiar with

their operation and effectiveness.

- **Storage:** When not in use, store your pistol in a secure location away from children and unauthorized users.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations. Avoid discarding in regular household waste.
- **Tritium Safety:** The Tritium gas used in the sights is safe when used as intended. If the sight is damaged and Tritium is exposed, follow local hazardous waste disposal guidelines.

## Contact Information for Further Support

For questions or concerns regarding the LITEWAVE H3 Tritium Orange Ring Front Sight Set, please refer to the contact information provided with your product. Always ensure that you are using the product according to the manufacturer's guidelines for optimal safety and performance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the LITEWAVE H3 sight set!
