

# LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES - HIVIZ GLOCK® .45ACP/10MM/.45 GAP LIGHTWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green + Orange Front Ring Sights from HIVIZ deliver a "triple threat" improvement on traditional night sight technology that ensures you can easily acquire your sights 24 hours a day in ANY light conditions. LitePipe fiber optic rods gather ambient light to produce a bright green, three-dot sight picture that's as easy to acquire in the sunlight of high noon as it is in the long shadows just before sunset. At night, the LiteWave H3's self-illuminating green Tritium inserts - filled with extra-bright "H3" Tritium gas - take over to maintain full visibility of those three dots. As a further enhancement, this version of LiteWave H3™ sights have a bright orange ring surrounding the front dot to help you find the front sight and get the three dots aligned fast - STP, in fact. (That's Sooner Than Possible... OK, maybe we exaggerate just a bit.) Front & rear dots are GREEN; front dot surrounded by ORANGE circle. Traditional, intuitive, horizontal 3-dot pattern. Exceptional visibility in ANY light conditions. Steel sight bodies with durable satin black finish. 1911 set fits all Kimber pistols with fixed sights; does not fit Micro Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide. Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl. Sold as front/rear sight sets, HIVIZ LiteWave H3™ Green + Orange Front Ring sights are engineered for a drop-in fit to your pistol's factory slide dovetails or screw holes. Sight bodies are made entirely of steel to ensure excellent protection for the Tritium and fiber optic inserts. Sights are sized to allow proper clearance in standard holsters for your pistol. Put a set of HIVIZ LiteWave H3™ Green + Orange Front Ring sights on your pistol - and enjoy all the benefits of the highly intuitive, easy to acquire sights that get you on target FAST!

## Attributes

# Safety Instruction Guide for LITEWAVE H3 Tritium Orange Ring Front Sight Set

## Introduction

Thank you for choosing the LITEWAVE H3 Tritium Orange Ring Front Sight Set from HIVIZ. This guide provides essential safety information and instructions to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the sights.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition in separate, secure locations.
- Ensure that the sights are installed correctly to avoid any operational issues.
- Regularly check the sights for any signs of damage or wear.
- Do not use the sights if they are damaged or if you notice any malfunction.
- Keep the sights and your firearm out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- The LITEWAVE H3 sights are designed for use with specific firearm models. Ensure compatibility with your firearm model before installation.
- Do not modify the sights or your firearm in any way that could compromise safety or performance.
- Avoid exposing the sights to extreme conditions such as excessive heat, moisture, or corrosive environments.
- If you experience any difficulties in sight alignment or visibility, consult a qualified gunsmith or contact the manufacturer for assistance.
- Always wear appropriate eye protection when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove the existing front and rear sights using appropriate tools.
3. **Install the New Sights:**
  - Align the front sight with the factory dovetail or screw hole on your firearm's slide.
  - Secure the front sight using the provided screws or by pressing it into the dovetail, ensuring it is tightly fitted.
  - Repeat the process for the rear sight, ensuring proper alignment and fit.
4. **Check Alignment:** After installation, visually inspect the sights to ensure they are aligned correctly for use.

### Usage

- The LITEWAVE H3 sights feature a green front dot surrounded by an orange ring for enhanced visibility.
- In lowlight conditions, the Tritium inserts will illuminate, providing a clear sight picture.
- Practice using the sights in various lighting conditions to become familiar with their functionality.
- Regularly clean the sights with a soft, dry cloth to maintain optimal visibility.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the sights are damaged, follow local guidelines for the disposal of electronic or hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please reach out to the authorized distributor or manufacturer. They can provide further assistance and information.

By following these guidelines, you can ensure a safe and effective experience with your LITEWAVE H3 Tritium Orange Ring Front Sight Set. Thank you for prioritizing safety and responsibility in your firearm handling.
