

# LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES - HIVIZ 1911 LIGHTWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green + Orange Front Ring Sights from HIVIZ deliver a "triple threat" improvement on traditional night sight technology that ensures you can easily acquire your sights 24 hours a day in ANY light conditions. LitePipe fiber optic rods gather ambient light to produce a bright green, three-dot sight picture that's as easy to acquire in the sunlight of high noon as it is in the long shadows just before sunset. At night, the LiteWave H3's self-illuminating green Tritium inserts - filled with extra-bright "H3" Tritium gas - take over to maintain full visibility of those three dots. As a further enhancement, this version of LiteWave H3™ sights have a bright orange ring surrounding the front dot to help you find the front sight and get the three dots aligned fast - STP, in fact. (That's Sooner Than Possible... OK, maybe we exaggerate just a bit.) Front & rear dots are GREEN; front dot surrounded by ORANGE circle Traditional, intuitive, horizontal 3-dot pattern Exceptional visibility in ANY light conditions Steel sight bodies with durable satin black finish 1911 set fits all Kimber pistols with fixed sights; does not fit Micro Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl Sold as front/rear sight sets, HIVIZ LiteWave H3™ Green + Orange Front Ring sights are engineered for a drop-in fit to your pistol's factory slide dovetails or screw holes. Sight bodies are made entirely of steel to ensure excellent protection for the Tritium and fiber optic inserts. Sights are sized to allow proper clearance in standard holsters for your pistol. Put a set of HIVIZ LiteWave H3™ Green + Orange Front Ring sights on your pistol - and enjoy all the benefits of the highly intuitive, easy to acquire sights that get you on target FAST!

# Safety Instruction Guide for LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES

## Introduction

Thank you for choosing the LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES. This product is designed to enhance your shooting experience by providing exceptional visibility in various lighting conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear that may affect performance.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting sights.
- Avoid exposing the sights to extreme temperatures or harsh chemicals that may damage the materials.
- Do not attempt to disassemble or modify the sights, as this may lead to malfunctions or safety hazards.
- Use the sights only for their intended purpose; do not use them in a manner inconsistent with firearm safety practices.
- Be aware that Tritium is a radioactive material; however, it is safely contained within the sight. Do not attempt to remove or damage the Tritium inserts.

## Instructions for Installation and Usage

### Installation Instructions

1. **Check Compatibility:** Ensure the sight set is compatible with your firearm model. The LITEWAVE H3 sight set is designed for various 1911 models and may not fit all firearms.
2. **Gather Tools:** You may need a screwdriver or sight pusher tool for installation.
3. **Remove Existing Sights:** If applicable, carefully remove any existing sights from your firearm.
4. **Align the Sights:** Position the front and rear sights in the dovetail slots or screw holes on your firearm's slide. Ensure they are aligned correctly.
5. **Secure the Sights:** Tighten the screws or use the sight pusher tool to secure the sights in place. Do not overtighten to avoid damaging the sights or firearm.
6. **Check Alignment:** Once installed, check the alignment of the sights to ensure they are properly positioned for accurate aiming.

### Usage Instructions

- Familiarize yourself with the sight picture: The front dot is surrounded by an orange ring, while the rear dots are green.
- Practice aiming in various lighting conditions to understand how the sights perform in different environments.
- Always ensure your firearm is pointed in a safe direction when practicing or using the sights.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- If the sights become damaged or nonfunctional, do not attempt to repair them. Contact an authorized dealer for disposal options.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the EUbased contact point provided with your product packaging or documentation.

Thank you for prioritizing safety and for choosing the LITEWAVE H3 TRITIUM ORANGE RING FRONT SIGHT SET W/GREEN LITEPIPES. Enjoy your enhanced shooting experience!
