

LITEWAVE H3 TRITIUM ORANGE RING FS W/ GREEN & ORANGE LITEPIPES - HIVIZ GLOCK® 9MM/.40S&W/.357 SIG LITEWAVE H3 TRITIUM SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

LiteWave H3™ Green / Orange Front Ring Sights from HIVIZ deliver a three-pronged improvement on standard night sight technology to ensure you'll can see your sights in any light conditions at ANY time of the day or night. At night, self-illuminating Tritium inserts - filled with extra-bright "H3" Tritium gas - maintain full visibility of the classic three-horizontal-dot sight picture. During the day, HIVIZ's LitePipe fiber optic rods gather and concentrate ambient light to produce bright, glowing dots that are as easy to see in the sunlight of high noon as at dusk. These LiteWave H3™ sights comes with two sets of interchangeable LitePipe rods for the rear sight: install the green rods for a monochromatic 3-dot sight picture OR use the Orange for easy differentiation of the rear dots from the green front dot. One final visibility enhancement: these LiteWave H3™ sights have a bright orange ring surrounding the front dot to help you find the front sight and get the three dots aligned even faster. Exceptional visibility in ANY light conditions Traditional, horizontal 3-dot pattern GREEN front fiber optic dot with ORANGE surround User swappable GREEN & ORANGE rods for rear sight Steel sight body with durable satin black finish Factory height allows use of standard holsters Glock models available for standard, large, and G42/43 frame pistols & fit all "Gens" Smith & Wesson M&P fits full-size & compact pistols in all calibers; does not fit CORE, M&P 22 or M&P long slide Springfield XD fits XD, XDS, XDE & XD-M; does not fit XD w/5.25" bbl Sold as front/rear sets, HIVIZ LiteWave H3™ Green / Orange Front Ring sights are engineered for a drop-in fit to your pistol's factory slide dovetails or screw holes. Sight bodies are made entirely of steel to ensure excellent protection of the Tritium and fiber optic inserts. Put a set of HIVIZ LiteWave H3™ sights on your pistol, and enjoy all the benefits of highly intuitive, easy to acquire sights that get you on target ASAP!

Safety Instruction Guide for LITEWAVE H3 TRITIUM SIGHT SET

Introduction

Thank you for choosing the LITEWAVE H3 Tritium Sight Set. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this guide carefully before using the sights to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms safely and responsibly.
- Keep the sights clean and free from obstructions for optimal visibility.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Store the product in a safe place away from children and unauthorized users.
- Report any issues or concerns regarding the product to the appropriate authorities.

Specific Safety Precautions for Use

- **Tritium Hazard:** The LITEWAVE H3 sights contain Tritium gas, which is safe under normal conditions. However, if the sight is damaged, avoid direct contact with any leaking materials. Seek medical attention if contact occurs.
- **Fiber Optic Caution:** The LitePipe rods are made of glass and can break if dropped. Handle with care to avoid injury.
- **Visibility:** Ensure that the sights are correctly installed and aligned to maintain optimal visibility in all lighting conditions.
- **Age Restrictions:** These sights are intended for use by individuals who are legally permitted to handle firearms. Ensure that minors are supervised when handling firearms.

Instructions for Installation and Usage

Installation

1. Prepare Your Firearm:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights according to the manufacturer's instructions.

2. Install the Sights:

- Align the front sight with the dovetail or screw holes on the firearm's slide.
- Secure the front sight using the provided screws or tools, ensuring it is tightly fitted.
- Repeat the process for the rear sight, using either green or orange LitePipe rods as preferred.

3. Check Alignment:

- After installation, check that the sights are properly aligned for accurate aiming.

Usage

- **Daylight Use:** Utilize the fiber optic rods for enhanced visibility during daylight conditions.
- **Night Use:** Rely on the Tritium inserts for selfilluminating visibility in lowlight conditions.
- **Regular Maintenance:** Clean the sights regularly to prevent dirt and debris from obstructing the view.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of Tritium sights in regular household waste. Check with local authorities for proper disposal methods.
- If the sight is damaged, follow the hazardous waste disposal guidelines for Tritium-containing products.

Contact Information for Further Support

For any questions or concerns regarding the LITEWAVE H3 Tritium Sight Set, please reach out to the designated EU-based contact point or your local distributor for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LITEWAVE H3 Tritium Sight Set. Thank you for your attention to these important safety guidelines.
