

SHOTGUN FIBER OPTIC SIGHT - HIVIZ M-300 FIBER OPTIC SIGHT

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Improves Target Visualization

Light gathering, polymer rod works in low light as well as bright to provide an easy-to-see, fast-pointing dot. Four colored rods let you change sights to fit shooting conditions. Locating fingers on each end center the sight on your rib; two strong magnets prevent movement.

SHOTGUN FIBER OPTIC SIGHT HIVIZ M300 FIBER OPTIC SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the SHOTGUN FIBER OPTIC SIGHT HIVIZ M300. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's specifications.
- Always handle the sight with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the sight if it is damaged or malfunctioning.
- Ensure that the sight is properly installed before use to avoid accidents.
- Be aware of your shooting environment and ensure it is safe for use.
- Use only compatible shotguns as specified by the manufacturer.
- Avoid pointing the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Installation

- Ensure the shotgun is unloaded before installation.
- Locate the rib on your shotgun where the sight will be mounted.
- Use the locating fingers on each end of the sight to center it on the rib.
- Secure the sight using the two strong magnets to prevent movement.
- Verify that the sight is firmly attached before proceeding.

2. Usage

- Align your eye with the sight for optimal accuracy.
- Choose the appropriate colored rod (green, red, yellow, orange) based on your shooting conditions.
- Practice using the sight in a safe environment before engaging in actual shooting activities.
- Maintain a steady grip and stance while aiming to ensure precision.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support
