

# SIG SAUER P365 STEEL STRIKER - LIGHTNING STRIKE SIG SAUER P365 STEEL STRIKER

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

Owners of one of today's most-popular concealed-carry pistols can enhance the durability, reliability and precision of their go-to defensive handgun by adding the Lightning Strike Products Steel Striker to their SIG Sauer P365. Machined from 17-4 stainless steel and heat-treated for added toughness, the striker is an improvement over the OEM striker found in factory P365s, ensuring that this already-tough concealed-carry pistol is even better equipped to deal with the rigors of daily carry.

# SIG SAUER P365 Steel Striker Lightning Strike Safety Instruction Guide

## Introduction

Thank you for choosing the SIG SAUER P365 Steel Striker from Lightning Strike Products. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new striker. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and firearm components with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the striker can lead to firearm malfunction, which may result in injury or death.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before performing any maintenance or installation.
  - Do not attempt to modify the striker or any other firearm component.
  - Ensure that you are familiar with your firearm's operation and safety mechanisms before using the striker.
  - Use only compatible models; the striker is designed specifically for the SIG SAUER P365.
- **Age and Audience Specific Warnings:** This product is intended for adult users only. Ensure that minors are not allowed to handle or operate firearms or their components.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your SIG SAUER P365 is completely unloaded.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Installation Steps:

- Remove the slide from the frame of the firearm.
- Locate the OEM striker within the slide.
- Using the punch tool, carefully push the OEM striker out of the slide.
- Align the Lightning Strike Steel Striker with the striker channel.
- Gently push the new striker into place until it is securely seated.
- Reassemble the slide and frame of the firearm.

### 3. PostInstallation Checks:

- After installation, perform a function check to ensure that the striker operates correctly.
- Always verify that the firearm is unloaded before performing any further checks.

### 4. Usage:

- Use the firearm in accordance with all local laws and regulations.
- Regularly clean and maintain your firearm and the new striker for optimal performance.

## **Disposal Instructions**

- Dispose of any old or damaged firearm components, including the OEM striker, in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER P365 Steel Striker, please refer to the manufacturer's official website or contact their customer support for assistance. Ensure that you have your purchase information ready for any inquiries.

Thank you for prioritizing safety and responsibility in your firearm ownership. Enjoy the enhanced performance of your SIG SAUER P365 with the Lightning Strike Steel Striker.
