

CAPTURED RECOIL GUIDE ROD FOR GLOCK® GEN 4 - LIGHTNING STRIKE CAPTURED RECOIL GUIDE ROD GLOCK 19/23/32 GEN 4 & 5

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Think your Gen 4 Glock is built to handle any situation? Think again. While these striker-fired guns have rightly earned their battle-ready reputation, they can always be improved upon, and the Lightning Strike Products Captured Recoil Guide Rod designed for these pistols is purpose-built to enhance every aspect of these guns. Machined entirely from stainless steel, these guide rods are built better and work to reduce the lock time on Glock handguns by as much as 50 percent. This provides greater accuracy and enhanced reliability, giving Glock owners heightened capabilities that were never before possible. Guide rods are available for the following Glock pistol models: G17, G19, G22, G23, G24, G31, G32, G34, G35, G37 and G38.

Safety Instruction Guide for CAPTURED RECOIL GUIDE ROD FOR GLOCK® GEN 4 LIGHTNING STRIKE

Introduction

Thank you for choosing the Lightning Strike Captured Recoil Guide Rod designed specifically for Glock® Gen 4 and Gen 5 models (G19, G23, G32). This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe operation and maximize the performance of your firearm.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to fire.
- Store firearms and ammunition securely and out of reach of children.
- Use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe backdrop when firing.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

When using the Lightning Strike Captured Recoil Guide Rod, please consider the following safety precautions:

- Ensure that your Glock® is unloaded before installation or maintenance.
- Do not attempt to modify or alter the guide rod in any way.
- Regularly inspect the guide rod for signs of wear or damage.
- Only use the guide rod with compatible Glock® models (G19, G23, G32).
- Follow all local laws and regulations regarding firearm modifications.

Instructions for Installation and Usage

To properly install and use the Lightning Strike Captured Recoil Guide Rod, follow these steps:

1. Preparation:

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a punch tool and a bench block.

2. Installation:

- Remove the slide from the frame by pulling the slide lock down and sliding the slide forward.
- Remove the factory recoil spring assembly by pushing it forward and lifting it out.
- Insert the Lightning Strike Captured Recoil Guide Rod into the slide, ensuring it is seated correctly.
- Reassemble the slide onto the frame and ensure it is locked into place.

3. Usage:

- Conduct a function check to ensure the firearm operates correctly with the new guide rod.
- Regularly practice safe handling and shooting techniques.

4. Maintenance:

- Clean the guide rod periodically to ensure optimal performance.
- Store the firearm in a safe and secure location when not in use.

Disposal Instructions

When disposing of any firearm components, including the Lightning Strike Captured Recoil Guide Rod, please follow these guidelines:

- Contact local authorities or waste management services for guidance on proper disposal methods.
- Do not dispose of firearms or firearm components in regular household waste.
- Ensure that any disposed items are rendered inoperable to prevent misuse.

Contact Information for Further Support

For any inquiries or concerns regarding the Lightning Strike Captured Recoil Guide Rod, please reach out to the manufacturer or authorized dealer for assistance. Ensure that you have the product details on hand for a more efficient response.

By following these safety instructions, you can enhance your shooting experience while ensuring the safety of yourself and others. Thank you for choosing Lightning Strike Products, and enjoy your enhanced Glock® performance.
