

SEMI-AUTO TITANIUM STRIKER - LIGHTNING STRIKE TITANIUM SMALL FRAME STRIKER

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

Cuts Lock Time By 50% In GLOCKS~

Lightweight Titanium Striker reduces lock time by a minimum of 50% for a faster shot and improved accuracy. Drops in with no gunsmithing and no permanent alterations to the firearm required. CNC machined from titanium and hardened for long lasting performance. Lightweight Steel Striker is 32% lighter than factory part, heat treated for exceptional strength and performance with hot loads. Coated with Kolene Nutride for greater lubricity and corrosion resistance. All models include Wolff striker spring.

Safety Instruction Guide for SEMIAUTO TITANIUM STRIKER LIGHTNING STRIKE

Introduction

Thank you for choosing the SEMIAUTO TITANIUM STRIKER LIGHTNING STRIKE. This product is designed to enhance your shooting experience by providing a lightweight and durable striker option for your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or removing the striker.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Be aware of the legal requirements regarding firearm modifications in your jurisdiction.
- Regularly check the product for wear and tear, and replace it if necessary.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible models as specified: GLOCK 9mm/.40 S&W.
- Ensure the firearm is in good working condition before installation.
- Do not attempt to modify or alter the striker beyond its intended use.
- Avoid using the striker with ammunition that exceeds the recommended specifications.
- Wear appropriate safety gear, such as eye and ear protection, when operating the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory striker by following the manufacturer's guidelines.
3. Carefully insert the SEMIAUTO TITANIUM STRIKER into the striker channel.
4. Ensure it is seated properly and securely.
5. Reinstall any components removed during the process.
6. Check the striker function by cycling the action of the firearm without ammunition.

Usage

- Use the firearm only in accordance with the manufacturer's instructions.
- Regularly inspect the striker for signs of damage or wear.
- Clean and lubricate the striker as needed to maintain optimal performance.
- Test the firearm in a controlled environment to ensure proper function after installation.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household trash.
- Recycle materials whenever possible.

Contact Information for Further Support

For any questions or concerns regarding the SEMIAUTO TITANIUM STRIKER LIGHTNING STRIKE, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have your product information ready when seeking support.

Thank you for your attention to these safety guidelines. Your safety and enjoyment are our top priorities.
