

SEMI-AUTO TITANIUM STRIKER - LIGHTNING STRIKE STEEL SMALL FRAME STRIKER FOR GLOCK®

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

Cuts Lock Time By 50% In GLOCKS~

Lightweight Titanium Striker reduces lock time by a minimum of 50% for a faster shot and improved accuracy. Drops in with no gunsmithing and no permanent alterations to the firearm required. CNC machined from titanium and hardened for long lasting performance. Lightweight Steel Striker is 32% lighter than factory part, heat treated for exceptional strength and performance with hot loads. Coated with Kolene Nutride for greater lubricity and corrosion resistance. All models include Wolff striker spring.

Safety Instruction Guide for SEMIAUTO TITANIUM STRIKER

Introduction

Thank you for choosing the SEMIAUTO TITANIUM STRIKER LIGHTNING STRIKE STEEL SMALL FRAME STRIKER FOR GLOCK®. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Ensure the product is compatible with your specific Glock model before installation.
- Always handle firearms with care and follow all safety regulations and guidelines.
- Keep the striker and all firearm components away from children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the SEMIAUTO TITANIUM STRIKER with Glock models specified in the product description.
- Ensure the firearm is unloaded before installing or replacing the striker.
- Do not attempt to modify the striker or any other firearm components.
- Use appropriate protective gear, such as safety glasses, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock firearm is completely unloaded.
- Gather necessary tools for installation (if required).

2. Installation Steps:

- Remove the slide from the Glock firearm according to the manufacturer's instructions.
- Locate the factory striker and carefully remove it.
- Insert the SEMIAUTO TITANIUM STRIKER into the striker channel.
- Ensure that the striker is seated properly and securely.
- Reassemble the slide and ensure all components are functioning correctly.

3. Usage:

- After installation, conduct a function check to ensure proper operation.
- Regularly maintain your firearm and the striker for optimal performance.
- Follow all safety protocols when using your firearm at the range or in the field.

Disposal Instructions

- Dispose of the SEMIAUTO TITANIUM STRIKER in accordance with local regulations.
- Do not throw away in regular household waste.
- Contact local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the SEMIAUTO TITANIUM STRIKER, please refer to the manufacturer's website or contact the designated support service.

Please ensure that you understand and follow these safety guidelines to maximize your safety and the performance of your firearm. Thank you for your attention to these important safety instructions.
