# Safety Instruction Guide for 1" Square Pasters

## Introduction

Thank you for choosing the 1" Square Pasters from National Target. These pasters are designed to help you quickly and easily repair your shooting targets. This guide provides important safety instructions to ensure the safe use of this product in accordance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pasters are used only for their intended purpose of repairing shooting targets.
- Keep pasters out of reach of children and vulnerable individuals to prevent accidental ingestion or misuse.
- Always inspect pasters for any damage or defects before use.
- Avoid using pasters near open flames or high heat sources, as they are made of paper and may be flammable.

## Specific Safety Precautions for Use

- Use pasters only on clean, dry surfaces to ensure proper adhesion.
- Do not apply pasters to skin or any other body parts.
- If you experience any allergic reaction or skin irritation, discontinue use immediately and seek medical advice.
- Store pasters in a cool, dry place away from direct sunlight to maintain their adhesive quality.
- Dispose of any used pasters responsibly, following local waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the target surface is clean and dry.
- Remove any debris or old pasters that may interfere with adhesion.

### 2. Application:

- Carefully peel a paster from the roll.
- Press the paster firmly onto the desired area of the target.
- Smooth out any air bubbles to ensure full contact with the target surface.

### 3. PostApplication:

- Allow the paster to adhere for a few moments before using the target again.
- Regularly check the condition of the pasters during use and replace as necessary.

## Disposal Instructions

- Dispose of used pasters in accordance with local regulations for paper waste.
- Do not incinerate, as burning may release harmful substances.
- Ensure that pasters are kept away from children and pets during disposal.

## Contact Information for Further Support

For any inquiries or concerns about the safety of this product, please refer to the official EU contact points or local consumer safety authorities.

By following these guidelines, you can ensure the safe use of the 1" Square Pasters while enjoying your shooting experience. Thank you for your attention to safety!
