# Safety Instruction Guide for B6 (CP) 50 Yard Slow Fire Repair Center Targets

## Introduction

Thank you for choosing the B6 (CP) 50 Yard Slow Fire Repair Center Targets. This guide provides important safety information to ensure the safe use of this product. Please read this document carefully before using the targets.

## General Safety Guidelines

- Ensure that all users are aware of the safety guidelines before using the targets.
- Always supervise children and vulnerable individuals when using or handling the targets.
- Use the targets only for their intended purpose, which is for shooting practice.
- Inspect the targets for any damage or defects before use. Do not use damaged targets.
- Store the targets in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the use of shooting targets.

## Specific Safety Precautions for Use

- Use appropriate firearms and ammunition that are suitable for the target size.
- Maintain a safe shooting distance of at least 50 yards from the targets.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of bystanders and obstacles.
- Be aware of your surroundings and ensure that there are no people or animals in the line of fire.
- If you notice any unsafe conditions, cease use immediately and address the issue.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a flat and stable surface for target setup.
- Secure the target in an upright position using a target stand or similar support.
- Ensure that the target is visible and clearly marked for shooters.

### 2. Usage:

- Position yourself at a safe distance (at least 50 yards) from the target.
- Follow proper shooting techniques to ensure accuracy and safety.
- After completing your shooting practice, carefully approach the target to assess results.

## Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn targets or dispose of them in a manner that may cause environmental harm.
- If the targets are damaged or no longer usable, follow local guidelines for hazardous waste disposal if applicable.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the B6 (CP) 50 Yard Slow Fire Repair Center Targets, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## Conclusion

Your safety is important. By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your B6 (CP) 50 Yard Slow Fire Repair Center Targets. Always prioritize safety and responsibility when engaging in shooting activities. Thank you for your attention to these important safety instructions.
