# Safety Instruction Guide for 1911 Slim Grips by NAVIDREX

## Introduction

Thank you for choosing the 1911 Slim Grips by NAVIDREX. These grips are designed for enhanced comfort and control, especially for users with smaller hands. This guide provides important safety instructions and information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Inspect the grips for any visible damage or defects before use.
- Ensure that all installation components, such as bushings and screws, are compatible and securely fastened.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Regularly check for wear and tear on the grips and replace them if necessary.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- The grips are designed for the 1911 Auto and Officers ACP models. Ensure compatibility before use.
- Do not use the grips if they show signs of significant wear, cracking, or other damage.
- Avoid exposing the grips to extreme temperatures or moisture, as this may affect their integrity.
- Be cautious when handling the firearm to prevent accidental discharge.
- If you experience difficulty gripping the firearm, consider consulting a professional for assistance.

## Instructions for Installation and Usage

### 1. Gather Required Tools and Components

- Slim bushings and screws (sold separately).
- Appropriate tools for installation (e.g., screwdriver).

### 2. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from the firearm by unscrewing the screws.

### 3. Installing the Slim Grips

- Align the new grips with the grip frame of the firearm.
- Insert the slim bushings into the grip frame if not already installed.
- Position the grips over the bushings and secure them in place with screws.
- Tighten the screws gently to avoid stripping.

### 4. Final Check

- Ensure that the grips are securely attached and do not move.
- Verify that the firearm operates correctly with the new grips installed.

## **Disposal Instructions**

- Dispose of any damaged grips in accordance with local regulations.
- Do not throw grips in regular household waste. Check for local recycling programs that accept wood products.
- If the grips are beyond repair, consider contacting a local waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 1911 Slim Grips by NAVIDREX, please refer to the contact information provided on the product packaging or visit the official NAVIDREX website for more details.

Please ensure that you follow these safety guidelines and instructions carefully to enjoy the full benefits of your 1911 Slim Grips while maintaining safety for yourself and others. Thank you for your attention to these important safety measures.
