

# 1911 MAHOGANY GRIPS - NAVIDREX 1911 STD DOUBLE DIAMOND GRIP

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Genuine Philippine Mahogany

A true asian hardwood with the beauty of expensive exotics, at a fraction of the cost. Deep reddish/brown color of varying intensity provides attractive contrast with blue and stainless steel guns. Contoured (Ctd) is relieved in the center to improve grip for persons with smaller hands. Fits 1911 Auto Model frames.

# Safety Instruction Guide for 1911 Mahogany Grips by Navidrex

## Introduction

Thank you for choosing the 1911 Mahogany Grips by Navidrex. This guide provides essential safety instructions, installation guidelines, and information on proper use to ensure a safe and enjoyable experience. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific 1911 Auto Model frame.
- Always inspect the grips for any damage or defects before installation. If you notice any issues, do not use the product.
- Keep the grips out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the grips only for their intended purpose. Do not modify or alter the product in any way.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- The grips are designed for adult users. If you are under the age of 18, please seek guidance from a responsible adult.
- If you have smaller hands, the contoured design may improve your grip. However, ensure that you are comfortable with the grip before use.
- Be cautious when handling firearms equipped with these grips. Always follow safe firearm handling practices.
- In case of any discomfort or difficulty in handling, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** You will need a screwdriver suitable for the grip screws.
2. **Remove Old Grips:** Carefully unscrew and remove the existing grips from your 1911 Auto Model frame.
3. **Prepare New Grips:** Align the new Mahogany grips with the frame, ensuring the screw holes match.
4. **Secure the Grips:** Insert and tighten the screws gently, ensuring the grips are firmly attached but not overtightened to avoid damage.
5. **Final Check:** Once installed, check that the grips are securely in place before handling the firearm.

### Usage Instructions

- Ensure that your firearm is unloaded before handling or installing the grips.
- Practice proper firearm safety at all times.
- Test the grip for comfort and stability before engaging in any shooting activities.
- Clean the grips regularly with a soft cloth to maintain their appearance and performance.

## Disposal Instructions

- When disposing of the grips, follow local regulations regarding wood products and firearm accessories.
- If the grips are damaged beyond use, consider recycling them where applicable.
- Do not dispose of the grips in regular household waste if they can be recycled or reused.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Mahogany Grips by Navidrex, please contact the manufacturer or your point of purchase for further assistance.

By following these safety instructions, you can ensure a safer experience with your 1911 Mahogany Grips. Thank you for your attention to safety and responsible use.
