

# 1911 MAHOGANY GRIPS - NAVIDREX 1911 STD FULL CHECKERED GRIP

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Genuine Philippine Mahogany

A true asian hardwood with the beauty of expensive exotics, at a fraction of the cost. Deep reddish/brown color of varying intensity provides attractive contrast with blue and stainless steel guns. Contoured (Ctd) is relieved in the center to improve grip for persons with smaller hands. Fits 1911 Auto Model frames.

# Safety Instruction Guide for 1911 Mahogany Grips by NAVIDREX

## Introduction

Thank you for choosing the 1911 Mahogany Grips by NAVIDREX. These grips are designed to enhance the aesthetics and functionality of your 1911 Auto Model firearm. This guide provides essential safety information to ensure safe use and compliance with European safety regulations.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific 1911 model (Government, Commander).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the grips regularly for any signs of wear or damage.
- Do not modify the grips in any way that could compromise their integrity or safety.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to grip slippage or detachment during use.
- The grips may become slippery when wet, increasing the risk of loss of control.

### • Avoiding Hazards:

- Ensure that the grips are securely attached before use.
- Use caution when handling the firearm in wet or humid conditions.
- Do not use the grips if they show signs of damage or excessive wear.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a screwdriver suitable for the grip screws.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old grips by unscrewing the grip screws.
- Align the new mahogany grips with the frame of the firearm.
- Securely attach the grips by tightening the screws, ensuring they are snug but not overly tight.

### 2. Usage:

- Always maintain a firm grip on the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check the grips for tightness and any signs of wear.

## Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged beyond use, consider recycling the wood if possible.
- Do not dispose of the grips in regular household waste if they are still functional; consider donating them.

to a local shooting range or firearm enthusiast.

## **Contact Information for Further Support**

For any inquiries related to safety or product performance, please reach out to the designated EU contact point provided with your product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 Mahogany Grips by NAVIDREX. Thank you for your attention to safety.
