

# 1911 AUTO STAINLESS STEEL FIRING PIN - NOWLIN 9MM/.38 1911 FIRING PIN

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

## Helps Prevent Primer Flow, Jams & Misfires

Heat-treated stainless steel is precision machined to exact tolerances to help eliminate "primer flow" with hot loads. Prevents unreliable firing pin ignition and primer deformation that can lead to jams and misfires. Available for .45 ACP and 9mm/.38 Super. Drop-in fit; does not require alterations.

## Attributes

- Name: [NOWLIN 9MM/.38 1911 FIRING PIN](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654000051
- Mfr. No.: NONE
- Caliber: 38/357 Caliber (.357-.359),9 mm (.355-.356)
- Model: Government,Commander,Officers
- Weapon type: 1911
- Delivery weight: 0.009kg
- Shipping width: 83mm
- Shipping length: 146mm

# Safety Instruction Guide for 1911 AUTO STAINLESS STEEL FIRING PIN

## Introduction

Thank you for choosing the 1911 AUTO STAINLESS STEEL FIRING PIN by NOWLIN. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe operation of your firing pin. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model: Government, Commander, or Officers.
- Always handle firearms with care and follow standard safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for signs of wear or damage on the firing pin and replace it as necessary.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only with compatible calibers: 38/357 Caliber (.357.359) and 9 mm (.355.356).
- Avoid using the firing pin with ammunition that exceeds recommended specifications, as this may cause malfunctions or damage.
- Inspect the firing pin before each use for any signs of deformation or wear.
- Do not modify the firing pin or the firearm in any way that could compromise safety.
- Ensure that the firearm is unloaded when installing or inspecting the firing pin.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Old Firing Pin:** Follow the manufacturer's instructions for disassembling your firearm to access the firing pin.
3. **Install the New Firing Pin:**
  - Insert the 1911 AUTO STAINLESS STEEL FIRING PIN into the firing pin channel.
  - Ensure it is seated correctly and operates smoothly.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.
5. **Test Functionality:** Once reassembled, perform a dry fire test to ensure proper operation of the firing pin.

### Usage

- Always follow standard safety practices when handling your firearm.
- Regularly clean and maintain your firearm to ensure optimal performance.
- Check for proper firing pin function during routine inspections.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the firing pin in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please consult the manufacturer's website or reach out to your local dealer for assistance.

This guide is designed to help you use the 1911 AUTO STAINLESS STEEL FIRING PIN safely and effectively. Always prioritize safety when handling firearms and ensure compliance with all relevant laws and regulations.
